

## Free disposal weekend for recyclables in September

Goulburn Mulwaree Council's free e-waste disposal weekend will occur on Saturday 19th and Sunday 20th September after being postponed earlier this year due to the COVID-19 pandemic.

Council will accept fridges/freezers/air-conditioners, mattresses, clean steel and e-waste across this weekend at Waste Management Centres in Goulburn, Marulan and Tarago. Bulky household general waste such as furniture or garden waste will be accepted at the November disposal weekend later this year.

Mayor Bob Kirk encouraged residents to plan ahead to take advantage of the September weekend.

"This weekend is always a busy, successful one, and a great opportunity to clean out the shed or the spare room. E-waste accepted includes televisions, computers, printers, fax machines and computer accessories, while mattresses are always a popular item to dispose of."

"Council is proud to offer this weekend as a service to residents of the region. There may be some line-ups across the weekend so please be patient, but we will have extra staff working to get everyone in and out as quickly as possible, while following COVID-safe protocols."

Each household is entitled to dispose of two fridges/freezers, two mattresses, one air-conditioner, 1m cubed of e-waste and /or up to 2m cubed of clean steel items free of charge. Any other waste will be charged as per normal fees and charges.

The weekend is a self-haul to waste centre event, and those seeking assistance to get items to the tip are encouraged to contact local waste disposal companies and handyman services.

Due to the impacts of COVID-19 and social distancing requirements, Council staff will not be able to assist customers in unloading their items as has occurred in previous years. Residents must ensure they are able to unload vehicles themselves, for example by ensuring more than one person attends for unloading. If it took two people to load an item, please ensure two people are on-hand to unload.

All Waste Management Centres are open from 7am to 4pm on Saturday and Sunday.

# September President's Report

It is sometimes very satisfactory when plans come to fruition. This has happened with the news that Marulan Cricket Club is to be resurrected. This is something the community wanted, and it is part of the Village Strategic Plan. The Chamber of Commerce is part of the Village Committee, and recently voted to spend monies on replacement of the cricket pitch which will happen in the next month or two.

The expenditure on the revamping of the tennis court makes the area a very modern sporting precinct and a valuable asset to the Village's present and future residents. The new tennis court, court lighting and cricket to be played on the field, will enable the Village to go and see, and participate in sport on first class grounds. It will also mean teams from Goulburn and Southern Highlands will visit Marulan.

We are sure with the enthusiasm of the new Cricket Committee that many exciting things will happen.

## David Humphreys

President

Marulan Region Chamber of Commerce Inc.

### The 2020 Marulan on the Meridian Kite Festival

#### Celebrating the Spring Solstice in September

**Has been cancelled**

After much deliberation by the Kite Festival Committee it has been decided that with current COVID 19 restrictions, that we are not able to safely hold the 2020 Marulan on the Meridian Kite Festival.

The Committee and Marulan Chamber of Commerce are staying aware of the restrictions and should these be lifted, a celebration for Marulan may be planned for later in the year.

Planning is however, underway for a bigger and better Kite Festival in 2021!

# KEEPING YOUR DISTANCE.

Help stop the spread of coronavirus by keeping your distance. Remember, don't shake hands or exchange physical greetings. Wherever possible stay 1.5 metres apart and practise good hand hygiene, especially after being in public places.

## TOGETHER WE CAN HELP STOP THE SPREAD AND STAY HEALTHY.

Advice regarding **Coronavirus (COVID-19)** will change regularly. Keep up to date. Visit **[health.gov.au](https://www.health.gov.au)**

Valmar Community Transport provides a bus service from Tallong and Marulan to Goulburn every Friday. A return trip costs \$10 per adult and \$5 per child. This service can be used by anyone in the Tallong and Marulan areas in need of transport into Goulburn – clients are picked up and dropped off from their homes.

The bus pick up times will begin in Tallong at approx. 8.45am, and Marulan by 9.15am then into Goulburn. Pick up times in the afternoon will be at 2pm from the Goulburn Square bus stop on Auburn Street, out the front of The Country Outfitters.

For all enquiries for transport or to register your interest, please contact the Valmar office on 4821 2933 or 4821 1644.

## Lions Club of Marulan & Districts

I know how easily it is to become isolated and in a rut in this terrible virus time. I guess like your readers I'm fed up hearing about it every time I turn on the Television or pick up a newspaper.

It even gets to the point where it feels unsafe to leave the house. Shopping!!!! well you would think i was carrying a loaded rifle on me, people actually jump away from me, and each other each other, and some are be rather rude.

But that unfortunately is what we need to do until we have that Miracle Vaccine. Stay Safe.

Lions have taken measures to ensure safety at our venues, temperature checks and sanitising are in place and adhered to very strictly.

The Lions Club of Marulan & Districts latest project is to encourage all Seniors to attend their weekly get-togethers.

The Get-together takes place in the Uniting Church Hall, George street each Monday form 12.30 to 3pm. Entry is free. ( but bring a plate for afternoon tea.)

The Euchre Tournament is held each Wednesday Evening commencing at 7pm and finishing at 9.30pm.

Lion Wendy Croker leads us into the competition, but always looking for new card players with or without experience. Cost for the evening's entertainment is \$5.00.

And best of all the Lions Club still meet up once a fortnight, 2nd and 4th Tuesday of the month in the Marulan Hall, 6pm start and finish by 8pm.

Because we are all 'Aged' we take things rather slowly these days and do just what we can. The meetings start with a home cooked meal and then onto business.

I would particularly like to thank one local lady, Maria Lewis of Tallong. Maria has been knitting for our club for a few years. knitting dozens of pairs of warm bed socks for the aged. the socks are wrapped in pretty Xmas paper and are given by our club as Xmas presents to the Aged Care Homes in Goulburn. The residents also have the opportunity to sing X-mass carols along with our 'Talented' choir. ahem.

**Marlene Skipper**  
**Ph 0408 213 199**

### Rosemary Turner

I have been very slack since being stuck at home during Covid-19 but of course there has not been much happening. I had to be tested and although the test was negative my family decided to "self-isolate" for two weeks. Now that we are back to some sort of normalcy it's time to bring everyone up to date on our Society's doings.

In the past month Marulan has lost three of its much respected ladies.

**MARY DUKES**, a resident of Marulan for almost 60 years passed away after suffering ill health for some time.

**VEDA MILNE**. Our Society was saddened by the loss of one of our much loved members, Veda Milne, whose life was briefly reported in last month's edition.

**MAVIS THOMPSON**, was a long time resident of Marulan and involved in CWA for many, many years.

*The Historical Society wishes to extend our sympathies to the families of these three wonderful ladies.*

### LORNA PARR

Recently we farewelled one of our foundation members, Lorna Parr. Lorna has left our district to go to live with her daughter at Coonabarabran. When Lorna came to Marulan she was very keen to start a Historical Society and it is mostly through her efforts that we have such a strong society today. We first had our meetings at her home, then moved to Wattle Glen which she owned and ran as tea rooms and antique shop. Some of our members as well as a few representatives from the Marulan Progress Association gathered for morning tea to say goodbye and wish her well. Our President Russell presented her with a rose bush to plant in her new garden. Lorna has had a long association with Marulan, having lived at Greenwich Park and Goulburn as a child and taught 2nd & 3rd classes as Miss Bogg in 1957 at Marulan Public School.

### OUR 15th ANNIVERSARY

In farewelling Lorna Parr we were reminded that it was 15 years since some eager people met at Lorna's home in Stoney Creek Road to form a Society. Later when she bought "Wattle Glen" Tea Rooms members met there regularly and planned many activities. One of these was for the Marulan School's "Hands On" History Lesson.

We soon realised the necessity for having proper storage for all the artefacts and resources which had been donated to us. Talks were held with GMC who offered the Society some of the HASP land. Aglime, who was locating elsewhere, donated its office building and arrangements were made to put the building on Council land at the rear of the Brewer Centre.

It was put on foundations but was obviously not secure as it blew down. It was then found to have asbestos and had to be removed.

Things were getting desperate so we began discussions with the Uniting Church to utilise the land at the rear of the church. With the generous donations from many local businesses and residents, MARC (Marulan Archives and Resource Centre) was opened on 29th May, 2016.

The interest in the Society kept growing and it soon became apparent that our one building was not able to cope with all the artefacts, books, records photos etc. We then set about extending our premises which is now almost complete.

Just a few of the projects organised by the energetic members of our Society are:

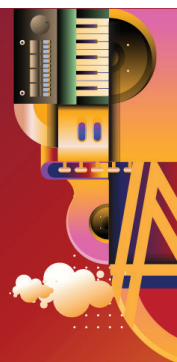

- Catering & displaying of artefacts from the "Lynwood" Dig
- Celebrating 150th Anniversary of Marulan Railway Station
- Celebrating Bi Centenary of Exploration in our area
- Quarry Weekend Reunion
- School "Hands On" History Day
- Bus Trips to Historic Locations
- Publication and sale of local history books
- Taking over of the Celebration of Annual Kite Festival

A reminder that our membership fees are now due - \$20 per person

Next meeting of the Society is our AGM on 10th September and new members are made welcome. We have a short meeting with lots of historical facts discussed, sometimes a guest speaker and a delicious afternoon tea.

# GREAT SOUTHERN NIGHTS

LAND OF 1000 GIGS

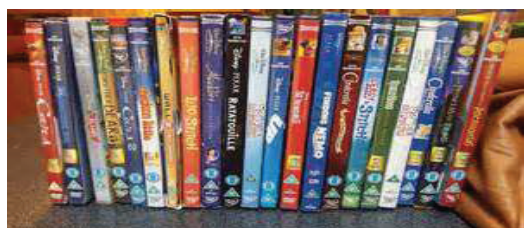

VENUES AND ARTISTS – GET INVOLVED NOW

[greatsouthernights.com.au](https://greatsouthernights.com.au)

COVID-19 has presented unfathomable challenges for many NSW residents and businesses, and among those hardest hit have been the hospitality, tourism and live entertainment sectors. That's why the NSW Government has announced a new music event, Great Southern Nights - an initiative that will provide a much-needed boost for these industries. The event will bring 1,000 COVID-safe gigs to NSW, from the regions to Sydney, and will showcase great Australian music, from emerging artists to headliners we know and love including Jimmy Barnes, Paul Kelly, Tones and I, Birds of Tokyo, The Veronicas and more.

## Some Memories of Mary

A long time resident and committed community member of Marulan, Mary Dukes, passed away earlier this month after a short illness.

Mary and Bill Dukes settled in Marulan in the 1960s and took over the corner store formerly operated by Coopers and prior to that, Grierlys. Dukes' corner store was one of three operating in Marulan at the time and many local girls worked there over the years.

Bill took the mail run to Bungonia but after the 1965 fire when the Tallong mailman's house was burnt down, he took over the Tallong mail run, continuing it until he retired. The store closed in 1989 and became Mary and Bills' private residence. Their four daughters, Sandra, Kerry, Marie and Mandy grew up in Marulan, attending Marulan Public School and going to High School in Goulburn before moving away to various cities Australia-wide, giving Mary plenty of opportunities for travel.

Noeleen Sieler was a near neighbour and close friend of Mary.

*"My friendship with Mary has been over 50 years, our daughters were born days apart.*

*Mary loved her garden and maintained it herself up until the end of last year. She loved Marulan and knew everybody here and worked tirelessly for most organisations for many years.*

*Mary's friends and I will miss her greatly, she was a loyal friend to me"*

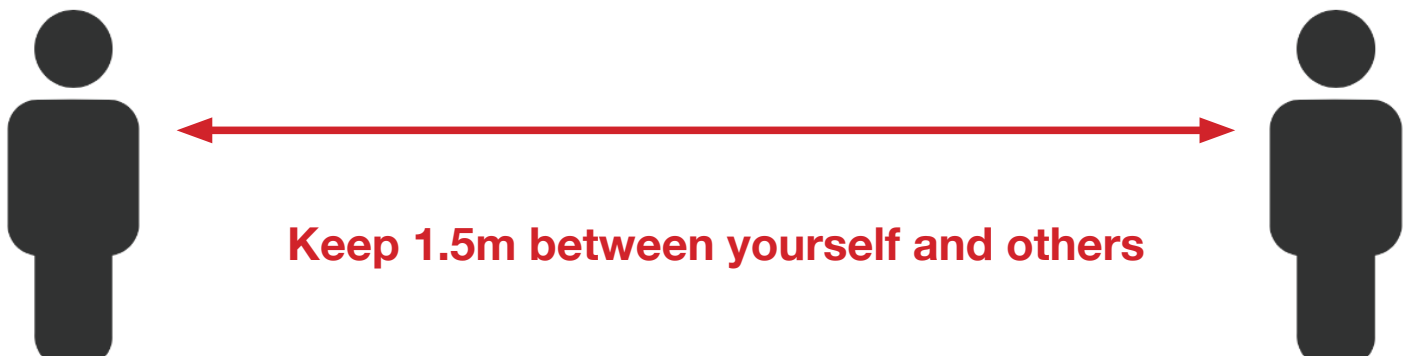

Marie Pender's thoughts of Mary –

*"In the late 1960s Mary and I would play tennis at Marulan South in the evening with all the locals out there. Then in the 70s we went for 2 years to TAFE in Goulburn and attended cooking classes. At the end of each term we invited friends and relatives and they shared our concoctions. Mary and I added far too much Szechuan pepper in our dish and we almost killed everyone. In 1979 we shared a tent with Shirley Feltham and went camping to the Red Centre. Alison Sieler and her two sisters also came on that coach trip which lasted for 16 days. Lots of wonderful memories and some very funny times.*

*We attended local balls and hockey games and the Sydney Easter Show. Bering a hairdresser, I did her hair for 50 years. She was a wonderful friend"*

Both Mary and Bill were involved in many town activities and clubs, including the School P & C, the Hall Committee, Pony Club, Hockey Club, and Progress Association, to name just a few. Mary was made a life member of Marulan School P & C and was named Australia Day Citizen of the Year in 1999. She was always treasurer of the many organisations she was involved in and also audited the books for most of the town clubs and societies. She was very involved with the 150th Marulan celebrations, every Australia Day celebration for many years, and Marulan Heritage Days.

Mary will be greatly missed by Marulan citizens

# Boral Marulan South Operations

An update for the community through *Discover Marulan*

September 2020

**Boral's Marulan South Operations is pleased to present our valued neighbours and community with this regular update.**

## Connect with **Boral Marulan South**

Email: [feedback@boral.com.au](mailto:feedback@boral.com.au)  
Environment (Quarry): 4841 1701  
Hours: 24 hours – see website.

Boral Peppertree personnel will be taking up the "One Foot Forward" challenge, in support of the Black Dog Institute, planning a number of walks and mental health discussions over October.

**ONE FOOT  
FORWARD**

THE WALK FOR  
MENTAL HEALTH

## Staying well in times of Covid

Having good Mental Health is important to all of us and even more so in this time of COVID 19 and self-isolation.

Last year, Boral established a partnership with the Black Dog Institute in support of Mental Health initiatives. This followed a companywide survey, in which all Boral employees had the opportunity to nominate a not for profit organisation that we would value and support.

1 in 5 of us will experience symptoms of mental illness in any given year. In Australia that's around 5 million people. And roughly 60% of these people won't seek help. The Black Dog Institute is the only medical research institute in Australia to investigate mental health across the lifespan, with their aim to create a mentally healthier world for everyone.

Even though our mental health is always important September highlights its importance with R U OK day on the 10th September.

**RUOK?**

Our Boral sites will recognise the importance of asking our workmates, family and friends R U OK through covid safe BBQs and activities.

October sees Mental Health week from the 10<sup>th</sup> to the 17<sup>th</sup>.

Make sure you manage your mental health while in self Isolation or quarantine as well. Here's a few pointers that might help

- Remind yourself that this is a temporary period of isolation to slow the spread of the virus.
- Remember that your effort is helping others in the community avoid contracting the virus.
- Stay connected with friends, family and colleagues via email, social media, video conferencing or telephone.
- Connect with others via, virtual groups or access support services and forums, such as those available on The Black Dog Institute's website.
- Engage in healthy activities that you enjoy and find relaxing.
- Keep regular sleep routines and eat healthy foods.
- Try to maintain physical activity.- surround yourself with nature if you can!
- Establish routines as best possible
- For those working from home, try to maintain a healthy balance by allocating specific work hours, taking regular breaks and, if possible, establishing a dedicated work space.
- Avoid news and social media if you find it distressing. We know how untrue some of this information can be!

## DO I NEED TO WEAR A MASK?

If you are well, a mask is not required where there is low community transmission of COVID-19. However if you are in a situation where physical distancing is difficult such as on public transport, you may choose to wear a mask.

### To stay COVID free, do the 3:

1. Wash or sanitise your hands
2. Physical distancing (1.5m)
3. Have the COVIDSafe app

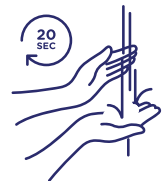

Also stay at home if you're unwell and get tested.

If you choose to wear a mask, it is important:

Wash your hands before putting on the mask

Make sure it covers your nose and mouth and fits snugly under your chin, over the bridge of your nose and against the sides of your face.

Do not touch the front of the mask while wearing it or when removing it. If you do touch the mask, wash or sanitise your hands immediately. Do not allow the mask to hang around your neck.

Wash or sanitise your hands after removing the mask.

**\*Single-use masks should not be re-used and should be discarded immediately after use.**

**IMPORTANT:** People with chronic respiratory conditions should seek medical advice before using a mask.

# Tallong Twitterings

## VALE ALETA CURRY.

It was with great shock and sadness that Tallong residents learned of the death of Aleta Curry in Goulburn Hospital, on Wednesday morning 26 August 2020.

Aleta was the third President of the Tallong Community Focus Group after serving as Vice President while David Leese was in charge. She became President in October 2008, remaining in that position for 2 years. The committee she led was responsible for overseeing the development of a more pro-active stance with regard to Goulburn Mulwaree Council than during preceding years, which has been built on subsequently. The TCFG was heavily involved in the development of the Tallong Village Plan of 2010, organising community involvement through a questionnaire and workshop meetings.

During this time also, the village regained control of the old picnic ground and playing field on Barbers Creek Rd. and by the middle of 2009 the Tallong Picnic and Recreation Reserve Trust had been gazetted. Aleta was a member of the Reserve Trust until 2019. The Paint the Pot project was completed in 2009 and the completed work was officially opened on Apple Day, 2009. As President of the TCFG, Aleta was also head of the organising committee for Apple Day for two years as well as being an ex-officio (non-voting) member of the Tallong Memorial Hall Trust.

With her history degree and interest in oral history, Aleta was involved in the writing of the book "Tallong: a Heritage". She covered the twentieth century history of the village as well as formatting the final document.

Aleta was a forceful and dynamic woman who carried herself with grace and dignity. She had definite opinions but believed strongly that, as she wrote in her President's Report of 2010: "Cooperation needs to remain a watchword; when community groups become more concerned about individual areas of control rather than the district as a whole, people may be able to satisfy their egos with a sense of power and control in the short term, but eventually the region will decay due to a lack of real commitment and support." She also had a wicked sense of humour and will be greatly missed by everyone who came in contact with her.

## Focus Group News:

Membership fees for 2020-2021 are now due. Please fill out the form and pay \$2.50 per person at the Midge.

The AGM originally slated for 28 September has been postponed due to social distancing requirements. A new date will be announced later.

The Community Resilience Day on Saturday 14 November will still go ahead at this stage. This will be a ticketed event. More details will be available closer to the time.

## RFS News:

"Get Ready Day" will be held at the Tallong Fire Shed, Memorial Drive on Saturday 12 September 2020 between 10am and 2pm. "Get Ready Day" provides an opportunity to engage with your local brigade and plan and prepare for the bush fire season which will all too soon be upon us again.

## Council News:

Remember that the Council Outreach meetings have been cancelled this year in response to COVID-19 social distancing requirements.
