Where to vote:

Marulan - Marulan Community Hall
68 George Street

Tallong - Tallong Memorial Hall
Memorial Drive

Bungonia - Bungonia Progress
Association Hall, King Street

A message from the Mayor

Bob Kirk

Goulburn Mulwaree Housing Strategy consultation closed

Throughout the first two months of the year residents have had a chance to have a say on the Draft Goulburn Mulwaree Housing Strategy. The document has identified the areas suitable for provision of housing to meet our population growth demand expected over the next twenty or so years.

As a region we are growing at a steady rate of around 1% per annum, however Marulan is expected to grow at an even higher rate than this through until 2036. We believe that Marulan will require around 500 new dwellings by this time, with these to be built on a combination of infill on existing lots and green field development on land that is currently appropriately zoned.

Marulan has a number of existing unoccupied lots, as well as around 50ha of residential zoned land not yet developed. Our planning team have stated that this land is sufficient to meet the current expectations over the coming two decades. We will continue to monitor land release over the coming years to ensure demand is met.

To ensure services are maintained to a high standard we are investing now to accommodate this future population growth. Funds are budgeted for upgrades at the waste management centre, we will be building a new Wastewater Treatment System in 2020/21, and funds are allocated for community open space projects.

I'd like to thank residents who took the chance to put in a submission to the draft. Council will be considering these along with a final report in the coming months, and we look forward to the continuing growth and prosperity of Marulan and the wider region.

Capital Works update

To kick off 2019 we have put together an update on key capital works projects that are underway below:

- Haulage routes – significant work will be undertaken on Brayton & Ambrose Road (Gunlake) in March/April with a complete reseal planned
- Marulan Waste Management Centre: We will be undertaking \$100,000 worth of improvement works at the Marulan WMC this year, and for those who receive domestic waste pick-up we will be undertaking fortnightly organic collections from 1 July.
- George Street Landscaping: \$50,000 has been budgeted over the next two financial years for landscaping in George St, Marulan.
- Towrang Road Bridge: We will be replacing the Towrang Road Bridge in the 2020/21 financial year at a cost of \$3m. This will mean a bridge that is much safer, and more flood resistant.
- Marulan Water Treatment: \$300,000 will be invested in 2019/20 to improve water treatment in Marulan meaning a better product for our residents.
- Marulan Sewer Treatment: In 2019/20 we will undertake the feasibility study and concept design for a new Marulan Wastewater Treatment Plant.
- Seiffert Oval Pavilion: Construction has commenced, and to be completed by June 2019. We will also soon be considering tenders for the lighting at this facility.
- Goulburn Skate Park upgrade: Consultation undertaken at end of 2018 and we will have design completed by the end of March 2019. Construction to be completed this financial year.
- Rage Cage: This is a multi-purpose sporting cage that will be built in Victoria Park. The concrete slab to be poured in early March and project completed by end of June 2019
- Stage 2 Walking Track: Concrete path is completed and we are now beginning the construction of the cantilever bridge to link the track to Kenmore St
- Aquatic Centre – our detailed design is progressing well, with an expected decision from the JRPP in May this year where we hope for approval
- Rocky Hill Museum – construction has commenced on this exciting project, with completion expected by October 2019.
- Goulburn Regional Hockey Complex – DA documentation is being prepared with the DA to be lodged in the coming months

President's Report

Welcome to the March edition of the Discover Marulan Newsletter; an initiative of the Marulan Region Chamber of Commerce.

There's a lot happening in March:

- The NSW State elections slated for Saturday 23rd March will be an interesting beast to watch given the unconventional races being run in rural seats.
- The Chamber continues to participate in the Marulan Village Planning Committee to oversee the deployment of community based projects.
- Work on Meridian Park (as an evolution of the HASP project) is likely to commence.
- Beyond the projects in the Marulan Village Plan, the Chamber has initiated eight other significant projects including a highway sign, thanks to Holcim, and a Marulan Region Visitors' Guide.

The Chamber has been collaborating with Council over the past few years to beautify and maintain the town. The Chamber appreciates its good relationship with Council which has resulted in the following plans and maintenance activities:

- The next spring tree planting will include the replacement of dead trees along Brayton Road, Portland Ave, Richards St, and Collins St
- The trees and bollards will be completed all the way along the slip road beside the BP site
- The large trees in George St which have died or which have been damaged will be replaced in spring with some tree positions to be moved to better accommodate some residences
- Weeding has been scheduled for late March and late September
- The guard rail along George St (primarily alongside the hall, opposite Wattle Glen) be painted and repaired
- Council will participate in, and work with the quarries in relation to, the Meridian Park project

I thank my fellow Chamber Executive members who continue to work tirelessly for the benefit of our wonderful village.

Dr Stephen James

President, Marulan Region Chamber of Commerce Inc.

WATTLE GLEN GEORGE STREET ANTIQUES TRADER MARULAN

81 George Street, Marulan

'What a mistake to make'. Silly me. I was a bit late with last months report. So late I missed the publication closing date. Anyhow it happens.

With our previous trips to the west of New South Wales, with a couple of loads of fodder for our poor farmers. We came across a farmer, Bruce. Bruce is a long farmer with a serious back injury. He lives in fairly poor conditions. He was in hospital and he missed out on the government assistance given to drought-stricken farmers. The story is, he missed out on the second chance because he lives about 300 meters outside the allocation area. Bruce is in a bad way. Our lion's club have decided instead of raising money and passing it on to be distributed as others see fit, we have decided to donate directly to Bruce. Not cash but we intend to make another bail run, taking up as much fodder as we can. Along with a load of fodder we thought we would put together a hamper for Bruce. I guess Bruce is one of many. If you would like to help us, help Bruce, we are more than happy to except donations. We all need to look after our farmers.

We continue to do the Bunnings BBQ and although we don't make a lot of money from this it is a good friendly gathering.

We had a collection, thanks to the BP service station where we raised about \$2000 for the Tasmanian bush fire and the Townsville floods. It would have been nice to get a bit more but let be thankful to all who donated.

We had our nominations for the club's positions for upcoming year. A new president, a new secretary, a bit of shuffling of personal and its all done. Now these positions have to be ratified with a vote next week and it's all done.

With the Lion's motto 'We Serve' we are always looking for new members. Come join us. Call either Marlene on 0408 213 199, or myself, Peter on 0407 073 837.

Our Clean Up Australia Day was delayed this year due to a timing conflict with the Goulburn Show. We are asking for any civic minded people who want to help clean up Marulan to meet us at 9am, 16th March 2019. All equipment will be provided.

The Evolution of Education

1970		Calculate the surface area of the object.

2018		Color the rectangle with the color you prefer.

edugog.com

27,000

trees per day are used for the production of toilet paper worldwide.

67

The average person has different species of bacteria in their belly button.

Not a lot to report this month; we are still coming to grips with “work” after the long break over Christmas and January!

WORKING BEES

Our weekly working bees are now back on track, with a lot of work to be done archiving and collating records and photos. Membership is open to anyone interested in our local history, or indeed, history of the wider areas. We meet every Monday morning from 10am till 12md or a bit later if we have a lot of “news” to impart. Morning tea and a good chat are the main requisites, but we do get some work in as well.

RAILWAY GARDENS

Despite the bouts of torrid heat wave weather that we’ve had, the station garden is looking great. The eucalypts in the roundabout outside the station have been very scorched although they have green shoots on them, so fingers crossed. The banksias are doing marvellously well.

The ground covers on the wall of the station garden, which have grown very well since September

IGA

One of our little projects on the go is helping IGA with the history of their site.

Another project is helping with the garden around the palm tree, in conjunction with the Garden Club. Plantings include the popular and hardy seaside daisy, Erigeron, a bright and hardy little plant which spreads well and flowers nearly all year round; many different shades of the very hardy and brightly colourful Gazania, or African daisy, which you will all know from the plants around the highway at the Southern entrance to Marulan, and a couple of other ground covers, which I have forgotten the names of temporarily. (The same species at the railway station garden, well suited to this area and spreading nicely).

*Erigeron (top)
Gazanias (below)*

Many thanks to the Welby Garden Centre for their valuable knowledge and help with choosing the plants for the garden and to Robert from IGA for funding our garden.

With time, we hope it will be a bright and cheerful feature setting off the historic palm and milepost.

Works in progress – Richard filling the rock garden (left).

A fair bit of work to sort this mess, (above)

18 miles to Goulburn, 37 miles to Mittagong, (right)

Job Done – (l – r) Luis, Malcolm, Rosemary (left)

Just planted, now grow! (below)

Our thanks must go to IGA for their preservation of the palm and the retaining of the original milepost which stood in almost the same position, and also for their keen interest in the history of the site. A valuable contribution to the town.

LAND FOR SALE FROM \$145,000 to \$160,000

Equinox is an exciting new residential development for the growing township of Marulan.

Offering a mix of very affordable, level and easy to build on blocks of land, Equinox will be ideal for a range of buyers looking for great value home sites in a beautiful setting.

Stage One is currently under construction and comprises 22 lots ranging in size from 720 sqm to 850 sqm.

Lots in **Stage One First Release** will be priced from **\$145,000 to \$160,000.**

Services available to all lots include power, telephone, town water and sewer.

For information contact Drysdales Property on 4868 3344 or Claire Douch on 0476 779 499.

Goulburn District Education Foundation – 2019 Scholarship Presentations

As part of Gunlake's commitment to supporting our local community, we were very pleased to be involved, again, with the Goulburn District Education Foundation's (GDEF) scholarship program which helps Goulburn and district school leavers to access further education, whether it be at a tertiary or technical (TAFE) level.

These scholarships can be used to either offset any fees that are associated with local students' further education. The scholarship also provides recipients with ongoing support and mentorship.

This year there were over 30 applications and 24 scholarships were awarded.

As well as being a member of the selection committee, Gunlake provided 5 scholarships, which will help students pursue careers in areas such as nursing, IT, education, law and many others

Gunlake is proud to continue our commitment to the GDEF and to the further education of our local students.

We always encourage community feedback by visiting our website at: www.gunlake.com.au/contact/ or by calling Gunlake Quarry on 02-4841 1344.

The Art of Ageing

Kerri Ambler, Tayla Martin, Tina Milson, Julie Slavin, Tim White

29 March - 11 May 2019

This exhibition presents the work of five photographers, each from a regional city in New South Wales, exploring, turning and flipping the idea of seniority. The individual vitality of each subject is emphasized through the photographic lens, expressing a truly vivacious existence. An undeniable tendency of the human condition – to craft and develop a deep sense of identity – is revealed in the stories of connection through objects, experiences, passions and projects. The Gallery is pleased to present this exhibition, which features five portraits by local photographer Tina Milson. The Art of Ageing will be shown alongside Milson's first solo exhibition at the Gallery. The Art of Ageing is a photographic exhibition that celebrates the value, experience and contribution older people bring, and challenges out-dated perceptions of ageing.

Goulburn Regional Art Gallery

Tallong Twitterings

Apple Day News

Excitement is building and the committee is hard at work preparing for Tallong Apple Day, to be held on Sunday 5th May. All competition flyers are now available at "The Midge", Tallong and the Marulan General Store or via the website: www.tallongappleday.com. Volunteers are also needed for the day – contact tallongappledayfestival@gmail.com

The Apple Day raffle this year will be bigger and better than ever with first prize being a white Suzuki Baleno GL 1.4L auto, proudly sponsored by Goulburn Country Motors. Second prize will be a family getaway holiday for up to 6 people, for 1 week in a fully self-contained unit at "The Moorings", Tomakin together with an activity holiday pack for the family. Other prizes include a family fun pack of entertainment outlet vouchers for a range of attractions in Sydney, Canberra and the Southern Highlands and a family photo shoot by Magnus Agren to the value of \$490.00.

In all, the total prize pool is valued at \$30,000 with the winning tickets to be drawn at 3pm at the Apple Festival itself. Tickets will be \$10 each and available soon at "The Midge", Tallong, at the official opening of the Marulan IGA and at Tallong Memorial Hall on Election Day on 23rd March, as well as various other local outlets yet to be confirmed. Any enquiries should be directed to: tallongappledayfestival@gmail.com

One of the attractions, recently confirmed as coming to Apple Day will be the Danelaw Medieval Fighting Society, a re-enactment group based in Sydney, specialising in the culture, arms and combat of the Middle Ages. Their displays are designed to be both informative and exciting with a foot combat tournament and full history show during the day.

The committee is delighted to announce that Gunlake Quarry is joining Boral as one of the major sponsors but sponsorship packages are still available for local large and small businesses; just contact: tallongappledayfestival@gmail.com attention Christine.

State Election Saturday 23rd March 2019

Tallong Community Focus Group will be running a cake stall and barbeque at the Polling Station in the Tallong Memorial Hall as well as selling Apple Day raffle tickets. All donations of cakes and biscuits will be gratefully received.

Farewell John and Jean Lombard

The Tallong community is sad to farewell John and Jean Lombard who have sold their Tallong property and will be moving to Canberra. We thank them for all their work for the village through the Tallong Park Association, the Tallong Community Focus Group and the Apple Day Festival committee. Jean has been the prime mover in the spinning and weaving section of the Apple day program and we will especially miss John's presence and voice as MC for all our community events. For a number of years John also wrote the "Tallong Twitterings".

The Creative Vegetarian Cook

Decadently Rich Hot Chocolate

As the weather gets cooler and you start snuggling up by the fire, here's a recipe for a deliciously rich and comforting hot choc. Makes six.

Ingredients:

- 1.5 litres milk
- 50 grams raw sugar
- 125 grams bittersweet chocolate chips
- 2 tablespoons golden syrup
- 35 grams scotch finger biscuit crumbs plus a pinch of salt
- 12 marshmallows

Directions:

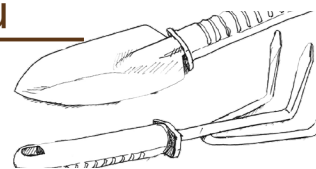

Heat milk and sugar to simmering over medium heat in a medium sized pot for about 10 minutes. Remove from heat; whisk in chocolate chips until smooth.

Meanwhile, place golden syrup on small plate. Invert 6 mugs into syrup; slide around until rims are lightly coated in syrup. Place scotch finger biscuit crumbs (plus the pinch of salt) in a small bowl; twist mug rims into crumbs until coated.

Divide hot chocolate between prepared mugs. Garnish with marshmallows and serve immediately.

The Garden Guru

Now is the time to plant bulbs for spring flowering. Bulbs have quite a short but spectacular flowering season. They can be planted in pots, clumps or in a mass. They have considerable disease tolerance and need little attention. They grow best in cool climates which makes them very suitable for our area. They like a good rich soil and adequate drainage to stop any rot. Prepare the garden by digging in compost and fertiliser. Once planted, the bulbs can stay in the ground for many years. Read the bulbs supplier for instructions for how deep to plant them. Water lightly and keep weed free so you can see the leaves emerge after a few weeks. If the weather is still hot and dry, wait until rain before planting.

The highland areas suit deciduous trees best. You plant them in winter but look at them now. If you live in fire prone areas, enquire about fire retardant plants and include them in your garden. You may have to order your trees for winter so have a wander around the nursery to see what inspires you and your garden size.

General maintenance such as tidy finished lilliums, add dead stalks and leaves to your compost bin. Check plants for scale and pest invasion. Keep watering and mulching your gardens. Prepare your winter vegetable garden and plant your winter vegetables. Give them a start before the cold weather.

VEOLIA MULWAREE TRUST

2019 Creative Arts Scholarships

WHO'S ELIGIBLE?

Practicing and emerging artists from Goulburn Mulwaree, Oberon, Palerang, Shoalhaven, Upper Lachlan, Wingecarribee and Wollondilly Shire Council areas.
