DECEMBER 2016

Marulan | Tallong | Bungonia | Towrang

Some highlights from this issue:

After the latest gossip and info from our friends at the Marulan Garden Club and Chamber of Commerce? Head on over to the local news pages.

Catch up on local and regional news, views and "so true's" in our regular Local News and Regional News sections.

The Travelling Gourmet: Take a culinary trip with our incognito local gourmand as she (or he) takes a trip overseas.

Who, what, where and when: Keep up to date with the latest events, news and "to do's" with our town's and region's Calendar of Events.

Discover Marulan is an initiative of the Marulan Region Chamber of Commerce Inc. It is a free service provided to members of our regional community to help discover news, events and items of interest. It is published every month.

You can contact the Editor of Discover Marulan via email at editor@discovermarulan.com.au. You can also keep up to date with news and events between issues by visiting our website at www.discovermarulan.com.au.

Information is often provided to us by third parties and hence no representation is made as to its accuracy or timeliness. All liability is waived. Please note that dates and particulars of events can change between publication dates and this is out of our control. Various items in the publication are paid advertisements. Contents do not necessarily represent the views of the Marulan Region Chamber of Commerce Inc, its Executive or its members.

A message from the Mayor

Welcome

Welcome to the last Mayoral Message for 2016. It has been a busy year, especially the last few months where I've been lucky enough to take on the role after serving as Deputy Mayor.

We have achieved a lot this year and I look forward to 2017 in which we will be kicking off a number of exciting projects around our region.

Christmas Waste Hours

The Marulan Waste Management Centre will be open from 8 am to 12 noon on Tuesday 27th December 2016 as the centre is closed Sunday and Monday for Christmas Day and Boxing Day.

This will provide a convenient opportunity for residents to dispose of their Christmas waste. Please keep wrapping paper and boxes separate for disposal at recycling bays.

Bushfire Season

We are now coming into summer, and with it comes bushfire season. Please take twenty minutes with your family to discuss what you'll do during a fire, you could save their lives, as well as your home.

Step 1 – Discuss what to do if a bushfire threatens your home

Step 2 – Prepare your home and get it ready for bushfire season (keep the grass low and gutters clean for example)

Step 3 – Know the bushfire alert levels (watch the NSW RFS website and download the 'Fires Near Me' app)

Step 4 – Keep all the bushfire information numbers, websites and the smartphone app.

For more information please visit the Rural Fire Service website!

Road Safety over Christmas

Below are some road safety tips from Tracey Norberg (our Road Safety Officer at council). Please take your time on road trips over the Christmas period, and ensure you make it to your destination in one piece.

To ensure you get to your destination safely here are a few tips:

- Prepare your car trailer and caravan - have it serviced and check you're prepared for emergencies with a blanket, torch and first aid kit.
- Prepare yourself - be rested before a long drive, plan the trip so you share the driving and take regular breaks to avoid fatigue. Keep an eye out for the signs of driver fatigue which may include yawning, tired eyes, poor concentration and slow reactions. Have a 15-minute rest every two hours. Take advantage of the Driver Reviver stops.
- If you plan to have a drink- plan not to drive. In NSW drink driving is a factor in about one in five accidents where someone loses their life. Have a Plan B.
- If you have children in the car, ensure they are in the appropriate child restraint.
- If you're travelling with pets, make sure they're restrained - for everybody's safety.

Before you head off, it's a good idea to check out what's happening on the roads you plan to travel on. The RMS website provides live traffic reports which are up-dated regularly from the RMS's Traffic Management Centre (TMC).

The TMC manages incidents, such as crashes, and other disruptions to the road network, such as special events.

The Chamber has had another spurt of growth with three new members; a welcome addition to our growing organisation.

November saw the restart of the Marulan Markets. The Chamber was instrumental in finding a person to run it as a business. Although not connected to the Chamber, we think it important that the markets continue as it brings new people into the town. The markets will be held on the second Sunday of each month. The number and variety of stalls at November's markets, including fresh produce, food and coffee, a great number of first time visitors were attracted to our village. This introduces them to what we have to offer and hopefully, by word of mouth, will encourage people to drop into our town on days the markets are not on.

This month's Discover Marulan Newsletter includes a photo collage of the stalls from November's markets. The Chamber encourages the local community to support the markets.

As the year draws to a close the Chamber hopes everyone will have a wonderful Christmas and that the New Year brings all of our village community groups success.

The Chamber was glad to support the Marulan & District Historical Society's quest for funds to build the expanding resource center and look forward to all community groups working with Holcim on their commitment to revamp Tony Onions Park in the New Year.

Also, congratulations to the Discover Marulan Newsletter for its first year of publication and to the community for their contributions to keep us all informed.

David Humphreys

President

Marulan Markets

2nd Sunday of the Month, 9 am till 2 pm

Tony Onions Park, George Street, Marulan

Marulan News

Country Womens Association

The Marulan CWA held a very successful Melbourne Cup Day at the Tallong Hall with delicious and plentiful food thanks to Sue and Faye. Our meeting last month began with a lovely morning tea courtesy of Faye. Members brought along their unused handbags which they had filled with useful items. These bags will be donated to homeless women. Our Christmas lunch next month will be at the Fireside Inn Goulburn. Lovely no washing up!!

Meanwhile, should you have a function coming up and would like some help with catering, we would be happy to provide for your function with finger food, cakes and drinks. You can contact Sue Montgomery via phone on 4841 0288.

Also feel free to visit our website cwamarulan.org or our page on Facebook @cwamarulan.

Pam Maynard
Publicity Officer

Marulan Garden Club

Members of the garden club report that Kite Day was a great success. Thank you to all who contributed their plants and their time. We made at least \$350.00 from all those potted plants and oddments that were donated. A tremendous effort and reward for all the hard work.

Thank you to Carolyn who organised a bus trip to see the spectacular gardens on show in Crookwell last month.

Our December meeting is once again a social event. We will be holding our Christmas Party lunch at the Fireside Inn, Market Street, Goulburn (just up from the Soldiers Club) on Tuesday 6th December at 12 noon. Members and friends who would like to attend are asked to please contact Sue Montgomery on 4841 0288 as soon as possible as she has to let them know numbers.

This is the same restaurant that we visited in July, so we know the food is great. There will be no meeting in January, so the next time we get together will be the February 2017 meeting in the church hall.

Marulan & District Historical Society

President of the MDS, Rosemary Turner has booked our Christmas Party with the Terminus Hotel for Thursday 1st December at 6.00 pm for 6.30 pm.

The cost will be \$35.00 per person. The meal consists of a main and dessert. Members and friends who would like to attend are asked to please contact Sue Montgomery on 4841 0288 by 1st December. Please note that if you have booked to attend and do not turn up, you will still have to pay for the meal.

Thomas Brown

Thomas Brown and perhaps more importantly his wife Mary are an integral part of Marulan's history.

Although Thomas received all the kudos – he built the White Horse Inn at the Wingello Stockade and has an extremely large headstone, restored and standing in pride of place at the Marulan Historical Society. It was his widow Mary who following his death (it is reported that he was accidentally shot) married Edward Carrigan and had four more children, she already had seven.

She realised that with the coming of the railway, Marulan was the place to be and operated the Duke of Edinburgh. Unfortunately, this building was burnt to the ground in the 1970's. Once again widowed, Mary Corrigan purchased land in 1872 on which she later built the Royal Hotel which typifies our town.

Vale - Nell Emerton

Although saddened by the death of Nell Emerton, her passing has brought back many happy memories of the great time we all had. Especially when she and her husband, Greg, were members of the Marulan Lions Club. Nell was also Treasurer for the CWA when they moved into their new rooms in 1968.

Nell was born on a cattle property in Northern Queensland and whilst showing cattle at the Brisbane Show she met the owner of Greenwich Park homestead from Marulan. He was so impressed with her that he offered her a job and for many years she showed his cattle at the Royal Sydney Show. Nell really enjoyed this, even sleeping in the stalls with them. Another of her great pleasures was when she and Greg, along with friends, went by "convoy" in their horse drawn vehicles to places like Swallow Tail.

It was whilst she was working at Greenwich Park that she met her husband Greg and, following their marriage, they had two daughters Judy and Alyson. Nell also had one granddaughter.

Nell was a popular member of the staff at Ampol Roadhouse and those who worked with her still recall the fun they all had. We send our sincere sympathy to them all.

Vale - Dulcie Jeffery

It was definitely an end of an era when Dulcie passed away last month. Our thoughts are with her two daughters, Sandra and Judith, and their families. I'm sure they all have some great memories as Dulcie was a font of information and over the years whenever anyone wanted information, or great stories about Big Hill, Brayton or Bungonia, it was Dulcie they contacted. To be remembered in this way is a great tribute to her.

The Big Read Bus

The Big Read Bus was once again in Marulan last month. It was great to see locals are using this great facility. Due to the popularity of these visits the timetable has been revised and is available in this newsletter. December visit will allow borrowers to borrow double their books, etc, as the next visit will not be until the new year.

Marulan Progress Association

The Progress Association held its meeting in November to finalise discussions re the mosaic that is to be placed at the foot of the arch in Meridian Park.

Everyone is invited to attend a Christmas Luncheon which will be held on Monday 6th December at 12 noon at the Marulan Uniting Church Hall. Come along and have a great afternoon of fun with family, friends and lots of nice food. Christmas theme dress code applies. Cost will be \$10.00 per person for a light three course lunch, afternoon tea, free games, raffle and a present for everyone. RSVP with numbers to Maureen on 4841 1515.

Marulan Public School

Organisers of the MPS Year 6 mini fete are appealing to families for donation of items to sell at their White Elephant Stall on Thursday 8th December from 11 am.

The fund day will include a jumping castle, chocolate wheel, sponge throwing (sounds fun), dunking donuts, pancakes, sock wrestling and lots of other activities.

Parents and friends are very welcome to attend.

Marulan News

The Rectory

The Rectory at All Saints Church is the only building in Marulan that had its plans drawn up by Goulburn architect E.C. Manfred. The foundation stone was laid on 2nd February, 1886 by Mrs Thomas, wife of Rt Rev. Thomas, Bishop of Goulburn.

A stable and coach house were built at a later time. Mrs Thomas also chose the name "All Saints" for the Anglican Church.

Despite her laying of the foundation stone and choosing the name of the church, I have failed to find out what her Christian name was. She is described as Mrs Thomas, wife of Mesic Thomas, in everything I have read.

Marulan Craft Shop

Marulan Craft Shop members recently held their Christmas Luncheon and final meeting of the year and were pleased to welcome two new members as well as enjoy delicious Chinese.

During the meeting discussion also took place regarding the carpet in the shop and everyone present commented on the painting of the hall (exterior and interior). It looks really great thanks to Goulburn Mulwaree Council.

The shop has an extremely wide range of beautifully made art and craft and you are invited to come and browse during opening times which are every Saturday and Sunday from 10 am to 4 pm. The shop will be open for business on Christmas Eve, Saturday 24th December but will not open over the new year.

If you would like to include your craft for sale, please contact either Bea Berrisford on 4841 1569 or Maureen Eddy on 4841 1515.

Christmas Waste Centre Hours

Council's Waste Centre at Goulburn, Marulan and Tarago will be open from 8 am to 12 noon on Tuesday, 27th December 2016. Utilities Director, Grant Moller, said the half day would enable residents to dispose of their Christmas waste, particularly if they were going away on holidays.

"As the centres are closed on Sunday and Monday for Christmas Day and Boxing Day, Council wanted to provide a convenient opportunity for residents to dispose of their waste", Mr Moller said.

For more information about Council's waste services, call the Waste Info Line on 4823 4417.

Marulan Rural Fire Service

The MRFS attends at least 70 calls a year which is most commendable. They are presently recruiting new members and if you are interested in becoming a member, please contact the Brigade Secretary on 0408 401 316.

The Brigade's Christmas Lolly Run has become quite the annual event with not only pre-schoolers but teenagers, mums and dads looking forward to Santa driving the truck and distributing those lollies.

Marulan News

Business Directory

The Marulan Region Chamber of Commerce Business Directory 2016-2018 has been delivered to local households. If you did not receive a copy please contact one of the Marulan retail outlets and they will be able to help you.

This is a most comprehensive directory and is a great help to local people to be able to source local goods and services and shows the many and varied people we have in business in the district.

Rail / Coach Service

As a regular passenger on the daily rail/coach service between Marulan and Goulburn I read with interest a past article in the Goulburn Post in this regard.

I must say I find this morning service excellent (time for attending a doctor's appointment, lunch with friends etc). Travel between Goulburn to Sydney is also really good. Five trains that stop at Marulan to Sydney during the day and four trains stopping on the return trip.

My only complaint is travel between Marulan and Canberra. To get to Canberra I have to travel to Bundanoon very early in the morning, wait about an hour and half, catch the Canberra Explorer to Canberra and, on return, get off at Goulburn and wait two hours for a train that stops at Marulan.

I would not recommend this to anyone as the last time I did, I caught an old passenger train (no blue handles, that is important) and when I went to get out at Marulan, it was two feet from the platform and two feet to jump down. I had nothing to hold onto (or swing from).

I did write to our local member who passed my letter onto the appropriate department and received a polite letter back saying "bad luck" or words to that effect. But I still think that this train could stop at Marulan as Bundanoon is a "pick up/set down" station and that's what I think Marulan should be as I am always the only person to get on at Bundanoon, so what's the difference?

And they would know they had to stop at Marulan as you have to book on this train. I might add that Mittagong, Bowral, Tarago and Bungendore are also "pick up/set down" stations.

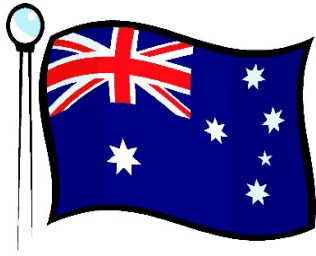

And I am sure that the Marulan senior citizens (and others) would love a day out in Canberra as the train leaves Canberra on its return at 5.25 pm.

I will try and go along to the next meeting in this regard at Marulan, but after going to meetings for over forty years I now try to leave meetings to others!

Compiled by Alison Sieler.

Marulan Australia Day

Tony Onions Park, Marulan

26th January 2017

- Vehicle Procession starts at 9am (FREE entry)
- FREE Mechanical Bull rides
- FREE Water Slides
- FREE Jumping Castles

- ☐ Child Entry (under 10)
- ☐ Child Entry (10-16)
- ☐ Adult Entry (over 16)

Please tick if you are willing to donate your cake to the Marulan Australia Day to have it auctioned off ☐

Rules:

- Must be an Australian theme
- Must be dropped off to nominated address (Marulan) by 4pm 25/01/2016

Great prizes to be won. For more information please email marulanaustraliaday@hotmail.com

Entry forms to be sent to Marulan Australia Day, 19 George St, Marulan

Bungonia Buzz

Bushfire Season

From November 1st we are in official bushfire season. Notify fires to "000", prepare your property and take care!

Judy's Kitchen Table

Judy's Kitchen Table morning will be held on Wednesday 14th December from 10.30 am to 12 noon.

\$5.00 per person and you will be treated to magnificent coffee, tea and scrumptious food that is home made.

All monies raised go towards the Bungonia Hall upkeep.

Christmas Carols and Readings

On Sunday 4th December we will be holding Christmas carols and readings at Christ Church with visiting choir "Alfresco Jubilo" and Rev Ross Hathway.

Everyone is welcome so bring your voices for your favourite carols. Please also bring a share plate. A sausage sizzle will be provided.

It commences at 5 pm at the Anglican Church, King Street, Bungonia.

Homecare Community Transport

The Homecare Community Transport bus runs regularly from Bungonia. Contact 4821 3350 for further details.

Xmas in the Village

On Saturday 17th December we will be holding Xmas in the Village at the park, King Street. Come and enjoy the festivities, meet new neighbours and old(er) ones!

There will be a jumping castle, a visit from Santa, RFS. Check the Bungonia facebook page www.facebook.com/Bungonia for further details.

Xmas Lunch

Come and enjoy a heart warming tradition on Christmas Day and have Xmas lunch at the Bungonia Progress Hall, especially if you happen to be on your own this Xmas. You will find good company and good times a plenty.

Annual New Year's Day Cricket Match

The annual New Year's Day Cricket Match between Bungonia and Windellama will once again be held in the new year on Saturday 1st January.

For further information about what's happening in Bungonia visit www.bungonia.net or call 4844 4228.

MARULAN VOLUNTEERS

Who are we? We are a group of local residents trying to improve the appearance of our town.

Why do we do this? If our town looks appealing and cared for, this will attract visitors who will support our local businesses. It also makes it a better environment for us to live in as locals.

What do we do? Local council mows the town's parks and some of its nature strips, but doesn't have the resources to do much more than this. The volunteers supplement the work of council by regularly cutting the edges and whipper snipping the main street and parks. We also weed the gardens in the parks, and collect litter in areas around town. Other less frequent and one-off activities have included: refurbishing the grounds at the Brewer Centre; mulching the gardens in Meridian Park; repairing and painting roadside fences in the main street; and repairing and painting the fence & rotunda in Tony Onions Park.

How often do we do it? Generally speaking, the volunteers work for 2-3 hours on the first and third Monday (starting approximately 9.30am) of each month.

How can you help? If you have spare time and are available on Mondays, then we'd love you to join us. If this time isn't suitable but you'd like to help, then please contact: David Blissett: 0400 119 016; Ellie Eggerking 0406 376 717; John Redhead: 0439 411 922.

Volunteers receive a free cup of coffee on "Volunteer Mondays" at The Marulan General Store (facebook.com/marulangeneralstore).

Tallong Twitterings

In December, all thoughts turn towards Christmas celebrations....

In the late 19th and early 20th centuries, and associated with the coming of the railway age, a number of Goulburn organisations held Christmas picnics at Tallong (or Barbers Creek as it was then known) which extraordinary numbers of people attended. Some were, perhaps, less successful than others. A picnic organised by the Loyal Argyle Lodge of the Grand United Order of Oddfellows at *Glenrock* on Boxing Day 1893 attracted 2000 people with 2 trains, both of 16 carriages, being chartered to carry them.

The *Goulburn Herald* reported that 'the excursionists either indulged in various games or betook themselves to the Glenrock Waterfalls to view the scenery and gather the beautiful ferns which abound there'. Unfortunately, one young man fell down the cliffs and suffered a compound fracture of the leg. A doctor staying at *Glenrock* was able to assist and an incoming train was stopped to return the patient to Goulburn, after the Barbers Creek station master (who was at the picnic) ran 4 miles to the station to alert the driver.

In another incident, a local resident discovered some youths raiding his orchard and was later assaulted by them and their friends. A number were arrested. However, the rest of the picnickers were entertained with a merry-go-round and swinging boats while various athletics events were run during the course of the day and members of the Goulburn City Band provided music for dancing.

During the early 20th century, Tallong was a preferred destination for Sunday School picnics from all denominations. In 1901, for example, it was the turn of the Goldsmith Street Wesleyan Sunday School. The *Goulburn Evening Penny Post* wrote that 'the children attending the Sunday School marched in procession from Goldsmith Street [to the railway station] headed by the Salvation Army Band... There were about 350 school children and a staff of nearly 50 teachers'. All up about 1000 people were carried on what was described as 'one of the heaviest picnic trains that has been dispatched from Goulburn'.

Once again athletics events were organised for the children and transport was available to transport visitors to Badgery's Lookout, then known as the Shoalhaven Look Down but the day was very hot and many picnickers were content to remain under the trees near Barbers Creek.

Tallong was certainly a popular picnic spot for celebrations at Christmas one hundred years ago and in keeping with this tradition the Tallong RFS brigade and the TCFG offer to the people of Tallong a Christmas party on the 3rd of December, 2016 from 12 noon to 2 pm in the Hall and Memorial Park.

The RFS barbeque and pavlova pudding are an enjoyable part of the Christmas fare with Santa arriving on the Fire Truck to distribute goodies to the children who also play prize winning games. At this year's Christmas Party, the TCFG was planning to include a celebration of the opening of the Memorial Park refurbishment project which includes the erection of the big Apple structure. Unfortunately, wet weather and obstacles to contractors keeping to the original timelines were encountered and we now must move the opening ceremony to May 2017 as part of the Apple Day Festival.

Summertime fun – learning to swim in Barbers Creek in the 1920s

Do you have some local community news to share? We'd love to hear about it. Contact the Editor at editor@discovermarulan.com.au

REGIONAL ART GALLERY

“WHAT A LIFE! ROCK PHOTOGRAPHY BY TONY MOTT”

9th December 2106 – 28 January 2017

Opening: Tuesday 13th December at 1 pm by Rock Legend, Jimmy Barnes with Photographer Tony Mott.
Floor Talk by Photographer, Tony Mott Friday 20th January at 5.30 pm

Australia's premier rock photographer, Tony Mott, has captured all aspects of the rock'n'roll lifestyle through his camera lens. An untrained photographer, he got his break with a photograph of Chrissy Amphlett, lead singer of Divinyls. Mott went on to have over 30,000 photographs published in 20 countries and his images have appeared on 400 posters and the covers of 500 CD's and more than 900 magazines. Mott was the photographer bands asked for and his portfolio features everyone from the Rolling Stones to members of the local independent band scene. From candid portraits to awe-inspiring live shots, Mott has a unique ability to connect with his subject.

For further information please contact the goulburn.art Regional Gallery,

FRIENDS OF THE GALLERY

Our enthusiastic and growing friends' group meet once a month in the gallery to discuss upcoming exhibitions and support the gallery's programs.

As volunteers in the community, such engagement with our Regional Gallery as a cultural institution is rewarding. Friends inform friends and everyone benefits, not the least the Gallery itself as more people respond to its successful professional endeavours.

You can become a Friend by subscribing for an annual fee of \$20 for singles/families or \$10 concession/student.

If you would like to know more about FOGS please contact the gallery on 4823 4494 or email artgallery@goulburn.nsw.gov.au.

The Garden Guru

The gardens are blooming and looking nice and fresh before all the heat that summer brings. The windy weather has played havoc with so keep up with mulching and watering. Water early morning or evening. Add soil wetter to your gardens to hold in the moisture. When you are almost ready to harvest quick growing plants such as lettuce or radish, to keep up the supply, replant. Spring and summer flowering bulbs should be left in the ground until the leaves dry off before dividing next year. Keep dead heading the flowers to promote flowering.

Snails are prevalent in the gardens now. They can be deterred with caffeine spray or pet safe pellets. Sawdust will also deter them though you will need to add nitrogen to the soil to counteract it. Or just go out in the garden early morning and pick them up and dispose of them.

Sunburn can cause some distress when out in the garden so wear a hat and use sunscreen. To protect your skin from insect attack such as bush flies and mosquitos with insect repellent. Try planting rue, wormwood or tansy around outdoor living areas.

If you are going away over the holiday period, arrange a friend to water and pick any vegetables. Indoor plants can be kept moist by watering well then covering each plant and pot with a plastic bag tied firmly around the container.

The Creative Cook

Christmas Stuffing

As we approach the holiday season, when we celebrate with family and friends, many of us like to stuff a turkey or chook or a combination of both.....a churkey?

Delight your guests with this super easy, home made, stovetop stuffing. It tastes so much better than commercially made packet stuff....ing.

Ingredients

10 slices bread, diced into small cubes
¼ cup butter, melted
3 garlic cloves, minced
1 onion, diced
2 carrots, peeled and diced
2 stalks celery, diced
½ teaspoon dried sage
½ teaspoon dried thyme
¼ teaspoon dried rosemary
Salt and pepper, to taste
1 cup chicken stock
2 tablespoons chopped fresh parsley

Method

1. Preheat oven to 180 degrees C.
2. Spread bread cubes on slightly greased baking paper. Bake in the oven until crisp and golden; about 4-5 minutes. Set aside.
3. Melt butter in a large pan over a medium heat. Add garlic, onion, carrots and celery. Cook, stirring occasionally, until tender; about 3-4 minutes. Stir in sage, thyme and rosemary until fragrant; about 1 minute.
4. Stir in bread cubes and gently toss to combine. Stir in chicken stock and parsley. Cover and remove from heat. Let sit for 10 minutes.
5. Serve immediately.

Regional News

The Big READ Bus

The Big READ Bus has been well received by the community and these visits have shown us that we need to make slight amendments to the times we are spending at our locations. The timetable has now been revised and can be found on the next page.

Avenues of Remembrance for Goulburn

Remembrance Day has just passed and as summer approaches and new growth emerges, the Avenue of Remembrance Working Party is preparing to make their submission to the Goulburn Mulwaree Council.

The brief for the Working Party was to liaise with the Street Working Party. They have investigated options and are making recommendations to Council on a programme to implement and plant avenues of trees to honour, recognise and commemorate Goulburn residents that have served in all wars since the 19th century. It is proposed that the Avenues of Remembrance could either be on a road reserve or any other prominent Council land, clearly and appropriately reflecting the recognition that is deserved for Goulburn's servicemen and women, both past and present.

The Avenue of Remembrance Working Party greatly appreciates the foundational work undertaken by the Street Trees Working Party. The Street Tree Working Party put considerable time into researching suitable tree species for the respective roads into and out of Goulburn that are being suggested to Council as suitable locations for the Avenues.

While comprising members of the Street Tree Working Party, the Avenue of Remembrance Working Party includes additional members including the instigator of the concept, now Mayor Bob Kirk, Dr. Claire Baddeley, Goulburn Mulwaree Council Museums Officer – St Clair and Rocky Hill and two members of the Goulburn RSL sub-branch.

The Avenue of Remembrance Working Party will also be nominating nine local roads to represent the contributions from various areas of operation of the Australian Defence Force. They will also be suggesting the Council re-invigorate sections of the original Park Road, Eastgrove, Avenue of Honour, which was initially planted in 1919.

The proposed Avenues project will be a valuable addition to the city, adding to its attractiveness, while recognising and commemorating the contribution of Goulburn Mulwaree residents to the military service and history of Australia.

For further information contact Mark Collins, Chairman, Avenues of Remembrance Working Party on 0419 639 445.

Regional News

Avoid Renovation Roulette

Goulburn Mulwaree renovators may unwittingly be gambling with their lives by carrying out renovations without an understanding of asbestos essentials. As part of National Asbestos Awareness Month, Goulburn Mulwaree Council is urging home renovators to avoid the risks, arm themselves with basic information and, when appropriate, access expert advice.

Mayor Bob Kirk encouraged investors and renovators to ensure they are educated and don't take unnecessary risk. "Home renovators need to take the time to manage risk; educate yourself, take precautions and always seek professional advice when you are unsure." There are three simple rules of thumb for would-be renovators and the general community which take the uncertainty out of dealing with asbestos in the home:

- If intact, there is no need to panic as asbestos can remain safely in place, undisturbed and painted or otherwise sealed
- If unsure whether a material is asbestos, assume it is asbestos and take appropriate precautions. There are many different types of asbestos and it is difficult to identify by sight. Bring in someone who is trained and accredited
- If broken, damaged, disturbed or mishandled, asbestos fibers can become loose and airborne, posing a risk. Limit access to the area and contact someone who is trained and accredited in asbestos removal.

For further information please visit www.asbestosawareness.com.au

Rural Waste Card Replacement Fee

The council moved to place on public exhibition the fee for a replacement of rural waste card that is either lost or stolen as per the following conditions:

- a) A fee of \$135 is applied to the property owner for a replacement rural waste card irrespective of the time of year;
- b) Only one replacement card is available per property;
- c) The replacement card has holes punched to be equivalent to the time of year the card is requested.

If no objections are received the fee will be adopted as part of Council's 2016/17 Fees & Charges.

For further information contact Goulburn Mulwaree Council on 4823 4444 or at www.goulburn.nsw.gov.au

Goulburn Wastewater Treatment Plant Upgrade – Construction Manager

Councilors considered the tender for a construction manager for the Goulburn Wastewater Treatment Plant upgrade. Council accepted and approved a tender offer from Hunter H2O, the project estimate for this work is \$400,000.

For further information contact Goulburn Mulwaree Council on 4823 4444 or at www.goulburn.nsw.gov.au

Regional News

The Long Ride Home visits Goulburn

Goulburn Mulwaree Council late last month held a civic reception for The Long Road Home, a great initiative led by amputee Laurie 'Truck' Sams SC (Star of Courage). Laurie is on the tail-end of a grueling 10,000km bike ride from Vietnam to Sydney to give a voice to veterans suffering from Post-Traumatic Stress Disorder (PTSD) and other injuries.

Mayor Bob Kirk, the Hon Angus Taylor MP, Councilors Peter Walker and Denzel Sturgiss, General Manager Warwick Bennett and members of the local RSL branch welcomes "Truck" to Goulburn and commended him for his efforts. "Laurie's efforts are nothing short of amazing, and the work he is putting into awareness for veterans is outstanding. It was great of Laurie and his team to drop in for an hour and tell us more about his cause, and I wish him all the best for the rest of his journey" said Mayor Bob Kirk.

The Long Ride Home has so far visited Vietnam, Cambodia, Thailand, Malaysia, Singapore and now Australia. The Long Ride Home philosophy states that Laurie will bring back the Australian flag which is to be symbolic of the Latin phrase **nemo resideo**, or "leave no one behind". Either those who have suffered death or physical and/or psychological trauma shall not be left behind or forgotten. Over \$72,000 has already been raised for Post-Traumatic Stress Disorder. If you would like to support the cause please visit www.thelongridehome.com.au/donations.

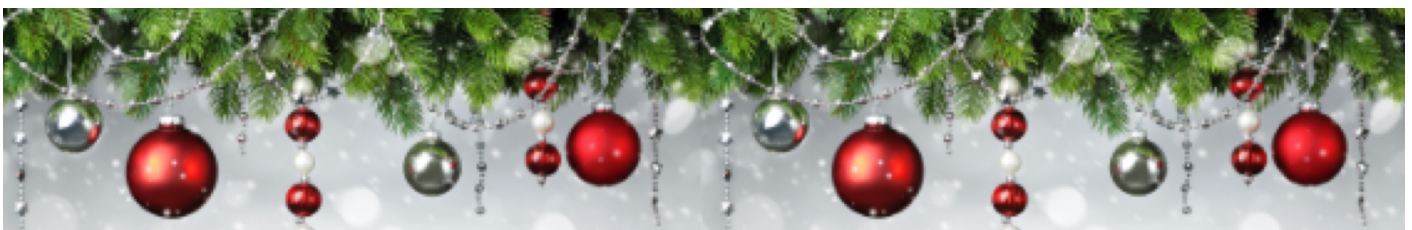

Regional Community Strategic Plan

We are working with Upper Lachlan and Yass Valley councils to prepare a combined Regional Community Strategic Plan. This document will ensure our region has a strong voice in State Government decisions on regional planning and funding.

Community consultation for the strategic plan is now underway, and workshops were held in Tarago, Marulan and Goulburn. If you were unable to attend the workshops you can still have input into the plan; a community survey has been made available. The survey is available at Customer Service in the Civic Centre (184 Bourke Street, Goulburn), or it can be accessed online via our website or at www.surveymonkey.com/r/GMULYVRegionalCSPSurvey

Growing a Bush-Tucker garden

Learn how to grow a bush tucker garden at this workshop at the Goulburn Community Garden on Friday 2nd December from 10am. You will also learn about soil requirements, harvesting and designing with bush food plants. For more information and tickets visit www.goulburncommunitygarden.org.au

From the team
at Gunlake
Quarries, we
wish you a
happy and safe
Christmas and
New Year!

Driver Education

Gunlake has started discussions with RMS and begun initial surveys for the new acceleration lane from Red Hills Road onto the Hume Highway. This will allow safer merging for trucks and traffic.

We have also made a number of repairs to the Brayton Rd and Quarry entrance intersection. Potholes have been fixed and the road resealed with a completely new asphalt surface for smoother, safer driving.

Community Liaison Team

community@gunlake.com.au
www.gunlake.com.au

Holiday operation hours

Gunlake Quarry will close from 23rd December 2016 until January 3rd 2017. There will be no trucks operating to and from the quarry during this time.

Contact the Team

If you have any questions, please contact our Community Liaison Team.

Register to receive the Gunlake Quarry community newsletter via our website (www.gunlake.com.au) to receive the latest information on the quarry first hand.

Community Liaison Team

The liaison team will operate the community contact lines as per normal operation hours throughout December and January, except for the period 23rd of December till 3rd January when the quarry is closed.

If you need to contact the liaison team, please send an email to community@gunlake.com.au or post a letter to PO Box 209, Marulan, 2579. We will respond to your request upon our return.

Boral Marulan South Operations Newsletter

December 2016

Boral's Marulan South Operations are pleased to present our regular newsletter for the information of our valued neighbours and wider community.

Marulan Kite Festival

Boral once again was proud to be part of the annual Marulan Kite Festival held on 30 October.

As in previous years, we conducted the 'design-a-kite' competition with involvement from the local primary schools and pre-schools.

This culminated in a parade of kites at the Festival itself.

Tallong Public School took home \$500 for the Best Kite which featured an Aboriginal design.

All pre-schoolers who entered received a book and a certificate to acknowledge how great they were in participating.

We also again arranged a stall where visitors were encouraged to make their own kite. A total of 94 kites were made over the day, with one of our team members becoming the 'master' of removing contact from its backing paper.

Huge congratulations go to the Festival team and the volunteers for organising this weekend. Saturday night's dinner-dance was a lot of fun, and it was great to see family members relaxing together and flying kites on the Sunday.

November

The community spirit continues at Boral this month on-site with 25 employees growing their 'mos' for November.

The boys are aiming to raise \$5000 while promoting men's health.

A Bloody Long Walk

While we were having fun flying kites, members of the Marulan community were walking 35kms in Canberra to raise money for research into mitochondrial disease.

Boral was pleased to support Barry Armitt and the team of 'Archie's Angels' for the 'Bloody Long Walk' event. The whole team completed the walk and raised around \$37 000 for the cause. Truly an awesome effort!

Zero Harm

Safety and the health of employees is a priority for Boral. We aim to achieve 'zero harm' and ensure no one gets hurt.

In October, all of the NSW Quarries and Recycling business achieved Zero Harm. That is all our employees and contractors coming to work every day and returning home safely and without injury. This is an amazing effort which was celebrated locally with a barbecue, prepared by the managers.

Holiday wishes

With the end of the year nearly upon us, it's time we start to think about family, holidays, Christmas and New Year's Eve get togethers.

From the Boral teams at South Marulan, we thank you for your ongoing support and wish everyone a safe and happy Christmas.

As all Boral employees know, before we start a job, we take five minutes to think about what could hurt us and how it can be prevented.

With that in mind, we ask all of you to 'Take 5'

- before you travel;
- or string those lights;
- or place decorations on the tree;
- or purchase Christmas gifts; or
- go out and party.

We hope it helps make you safe and ready to enjoy 2017, happy and healthy with family and friends.

Like to know more? Call us on 02 4841 1701 (Quarry) or 02 4820 3003 (Limestone). Or visit www.boral.com.au/marulan. For environmental matters (quarry), please call 4841 1701.

Holcim in Marulan update

Holcim Australia

December 2016

Granite Pit and Haul Road Developments

With the indigenous and ecological considerations all resolved, the construction of the haul road into the granite pit began in early November. Andy's Earthmovers have been making good progress with the project on track and meeting all its milestones.

Above is a picture of a Hitachi 1900 excavator loading general fill for the haul road construction into a Komatsu 785.

There is a dedicated water cart for the construction project to manage dust and all activities will be within the hours approved for construction under the development consent.

Sponsorships

Lynwood Quarry supported a number of community initiatives in November including the Holcim Mayoral Golf Day, White Ribbon Walk, work experience student from Mulwaree High School, fundraising in memory of Archie Armitt supporting the Australian Mitochondrial Disease Foundation as well as launching the Community Investment Fund Round 4 for 2016. Please get in touch with Alana White on 1300 657 051 if you would like support for a community initiative in 2017.

Message from Guy....

As the year draws to an end, we reflect on what has been the last 12 months and look to what will be in store for the next. 2016 was an exciting, busy and at times challenging year for Lynwood Quarry. As our first year with full production we spent the time onboarding and training new team members, transitioning the final team members from Johnniefields to Lynwood, refining our productivity and learning the idiosyncrasies of our plant.

Through the Granite Pit project as well as our involvement at local meetings or events, we worked hard to hear and respond to the questions, concerns or ideas presented by local residents in 2016. We sponsored and supported many fantastic community events and initiatives as well as provided funds through the Community Investment Fund. This work culminated in the site winning of two national awards for our work in the community and environment space. I'm looking forward to continuing our presence within the community and anticipate another vibrant, active year.

2017 is looking to be one of our busiest years yet. We'll be constructing the haul road and opening the new pit whilst still producing from the ignimbrite rock source. The team will at the same time be stockpiling product in preparation for commissioning the plant to take the new granite pit rock.

From all of us here at Lynwood Quarry and Holcim, we wish everyone in the community a safe, warm and happy festive season.

Guy Sibenaler

HOT DOGS

The Australian summer can be a strain on humans and animals alike! Excessive body temperature is uncomfortable at best, and long periods of high body temperatures are likely to create dehydration and may even damage organs. Here are some tactics to keep your pet cool and comfortable this summer.

Tips and Tricks

*****ALWAYS ENSURE THERE IS PLENTY OF CLEAN, FRESH WATER AVAILABLE*****

- Clean water *must* be available to your pet 24/7!
- Limit walks and runs to cool mornings and evenings; hot concrete burns paw pads and your dog may not tell you they're too hot while they're having fun.
- Frozen Treats can be made from broth, pet-safe juice and fruits, raw beef or even just water!
- Tiles create the same effect as cool concrete -keep them shaded; these surfaces heat up in the sun.

Overheating

Exercise, excitement, and genetics can all increase the risk of overheating. "Smushed face" or brachycephalic breed pets are at **especially high risk** because they do not cool their bodies as efficiently as other breeds do.

Early signs of overheating are easy to catch and include: ***Heavy Panting *Lethargy *Dehydration**

If your pet doesn't cool down, they can get Heat Stroke. Signs of Heat Stroke include:

***Disorientation *Diarrhoea *Vomiting *Seizures *Coma *Possibly Death**

What to do to cool your pet down:

- Bring your pet in to a cool location and provide cool fresh water
- Apply cool water or methylated spirits to their ears, paws and also in armpit/inguinal regions
- Drape wet towels over the pet in front of a fan or air conditioner
- If cooling your pet in these ways does not begin to work within 5-10 minutes OR if you see signs of Heat Stroke, OR your pet's rectal temperature exceeds 40°C, **immediately go to a veterinarian!!** Your pet may require fluid therapy or other rescue methods to cool their body on the inside and the outside. If damage has already been done, this will also need to be addressed.

Summertime is great for the outdoors, but play safe! Your pet needs your help to stay cool!

The Travelling Gourmet

Up early for day two of Singapore. On our list is the Cricket Club, Raffles, Tiger Balm gardens, pick up shirts and collect a car to drive around Malaysia.

Most areas in the city are easy walks however taxis have local knowledge and save time in the long run. So we head to the gardens. A true wonder: butterflies swirl around your head, tropical plants, flowers of every colour and size. Waterfalls and hanging baskets of wild orchids; truly magnificent. Dragging ourselves away from the gardens, as we have a full day of walking, we come across a street parade; an Indian religious festival. A local tells us it is Thaipusam Festival; the most sacred day of the Hindu God Subramanian. We are astounded when we see men towing effigies with hooks through their backs and others with spikes through their faces. Bodies atop are Hindu gods.

We are encouraged to join the parade to the Sri Perumal Temple and are festooned with garlands around our necks. We climb to the top of the temple, after buying an offering to the god, and place it at the statue of Subramaniam. What a thrill, experience and privilege to participate.

We hurry through the crowd, grab a taxi and ask to be taken to the Singapore Cricket Club, established in 1852. It was the mecca for expats like those at the Raffles Hotel. Gaining admission was a problem. As members of the Sydney Cricket Ground, we felt sure we had reciprocal rights but a very English Indian was having none of it. We were about to retire gracefully when an expat Aussie sitting in the foyer stated he would sign us in as he was a member.

We sat on the terrace that overlooks the impressive oval and wicket. We had a cuppa and a cucumber sandwich served on a silver tray; very English. The old man who poured our tea could have been at the club's launch 160 years ago.

Still trying to keep to our schedule we take off for the Raffles Hotel. Seated in the courtyard of the hotel, having ordered our Singapore Slings, we soak up the history of the place. We can see billiard tables under which a hunter had shot a Sumatran Tiger. A list of who's who on the guest list: Kings, Queens, famous explorers, writers, Generals and heads of state.

But we can't stay. We must hurry to pick up the shirts and we can't wait for the pop-up food to start. The rental car can wait till morning to take us to Malacca; our first stop in Malaysia.

So we decide an afternoon nap is appropriate and dream of the food stalls and delights. Later on, we sit at a table surrounded by the buzz of the food stalls. In front of us is a plate covered in picked-clean-crab-shells of the most delectable Chili Crab. We take in the atmosphere and talk about the adventure ahead and the sites and tastes of Malaysia. We can't wait till tomorrow!

The Travelling Gourmet.

Buy Local

The Marulan Region Chamber of Commerce Inc. encourages people to support local businesses. We have a great village with great services and terrific local businesses with more yet to come. You'll find the prices at our local businesses are comparable to those in the big towns and cities. Not only that, you'll also be helping sustain our local economy. To find out more about our *Buy Local initiative*, visit the Chamber's website at marulanchamber.org.au

REGIONAL GALLERY

Artist Book Masterclass

With regional artist, Fran Ifould
Thursday 1 December, 10am– 3pm

\$75 per person

Artist books are artworks in the form of a book. Artist books transcend the traditional notions of art; often crossing many art disciplines such as drawing, painting and sculpture.

In this all day Masterclass, you will learn some artist book building techniques from regional artist Fran Ifould. You will be provided with instruction notes and guidance on each activity. During the workshop you will create a concertina book and a sewn book of several pages using a Coptic binding. It is envisioned that workshop participants will take their knowledge back to their home or studio to continue working with the art form.

Participants will need to bring or buy their own lunch which is scheduled for 1-2pm.
