150 EAST

April 2020

Marulan | Tallong | Bungonia | Towrang

Above is the virus known as **SARS-CoV-2** (Severe acute respiratory syndrome coronavirus 2).
It causes the respiratory illness known as **COVID-19** (coronavirus disease 2019).

A message from the Mayor

Bob Kirk

COVID-19 Response

Goulburn Mulwaree Council is continuing to prioritise essential services for our community throughout the evolving Coronavirus COVID-19 situation. *Please note that this column was written on the 2nd of April, and as we all know this is an evolving situation, however I think it's important to provide a full picture of where we are at as of the 2/4/2020:*

From the 2nd April, Marulan Waste Management Centre will only be open from 12:30pm to 4pm on Thursday and Saturday each week. We hope residents will be understanding and patient, as we seek to adapt our services to ensure they can continue to be provided.

Goulburn Waste Management Centre will still be operating but with reduced hours. It is closed to the public each Monday, Thursday and Sunday, and will now be open on Tuesday, Wednesday, Friday and Saturday from 8am – 2pm only.

We have realigned our waste team, who will now work split shifts to ensure decontamination can occur between staff changeovers. These measures are designed to help ensure we can continue to provide all waste services, including collections, at this difficult time.

A number of Council facilities are now closed to the public:

- Goulburn Mulwaree Library (including the Mobile Library)
- Goulburn Aquatic & Leisure Centre
- Goulburn Regional Art Gallery
- Rocky Hill War Memorial Museum
- Goulburn Community Centre
- Goulburn Historic Waterworks Museum
- Visitor Information Centre

We are also closing a number of public toilet facilities. The below toilets will remain open:

- Belmore Park
- Marsden Weir
- O'Brien Park
- Eastgrove South
- Tony Onions Park (Marulan)
- Tarago Park
- Tallong Park

Unfortunately we have also had to close all playgrounds following this week's announcement by the Prime Minister. Open spaces will continue to be accessible, but play equipment must no longer be used and gathering areas (e.g. Adventure Playground, Skate Park, Rage Cage and Outdoor Gyms) can no longer be used.

The Goulburn Mulwaree Animal Shelter will not be undertaking normal opening hours, but will be responding to requests as usual. Pick up of animals can be done by appointment only.

Goulburn Mulwaree Council's main priority is the continuation of essential services. A list of these have been identified, and this will include water, wastewater, waste collection, cemeteries and environmental health along with on-call services.

Please listen to local radio on Monday, Wednesday and Friday morning's where I'll be providing updates on 1368 2GN at 8:10am, and 93.5 Eagle FM after 8:30am. I'd also advise you to monitor the Goulburn Mulwaree Council Facebook Page and website for further information.

Please look after each other, and follow the Federal Government guidelines on social distancing and hygiene seriously. It is going to be a testing period in our lives over the coming weeks and likely months, and it is essential that each individual and family does their bit to avoid spreading this virus.

I also recognise that many people have lost or are facing losing their jobs. The economic impact is also enormous, and my heart goes out to our community members who will lose work and income through no fault of their own. Please take advantage of government assistance that is being made available. I'm confident Goulburn Mulwaree can rebuild when this is all over, and will do so by supporting each other.

President's Report

There is no doubt that these are testing times for us all. From drought, to bushfires, to flash flooding, to the current pandemic.

COVID-19 has changed the way we live, the way we work and how we interact in our day to day lives. It has impacted our economy and brought out both the best and worst in people.

It is not only we who are impacted as individuals, but our local businesses are impacted too. I urge all members of the community to support our local businesses as best they can.

Please keep up to date about COVID-19 via reputable sources such as the [Australian Government](#), [Australian Government Health](#) and [NSW Health](#) websites.

You can also get the latest updates from the Australian Government on [Facebook](#) and [Twitter](#), download the official app for your [iPhone](#) or [Android phone](#), or send a message on [WhatsApp](#) to get connected.

The Discover Marulan Newsletter will only be available in softcopy, commencing with this edition, until further notice.

We are doing this for health and safety reasons and to help people comply with current government mandates relating to the need to stay at home.

Once it is ready in the first week of each month, it will be accessible via the Chamber's Discover Marulan website at <https://discovermarulan.com.au/newsletters/>

You have the option to [subscribe](#) to the Chamber's mailing list so that you are notified when the newsletter is ready for online viewing and/or download at <https://discovermarulan.com.au/newsletters/#subscribe>

Hoping all our readers remain safe, healthy and well..

Dr Stephen James

President, Marulan Region Chamber of Commerce Inc.

**Keep 1.5m between
yourself and others**

Country Women's Association Report

We are delighted to welcome three new members to our branch. March has been a busy month with our members manning the kitchen at the Robertson show on the 13th and 14th and participating in the Southern Tablelands Group Handicraft and Cookery Day on the 17th.

Our branch was very successful with three firsts in the Land section (congratulations to Bea and Jade) a first and second in the jam section (congratulations Debbie and Bea) and a third in the shortbread biscuit section, (congratulations Nereida). Marulan was second overall, so well done to our ladies.

Our canteen ladies have been hard at work since school resumed and this year we are endeavouring to purchase something that will benefit our entire community - more on this at a later date. Thank you to the school parents who support us each week and please be assured that the children's meals are prepared under the most hygienic conditions possible.

If anyone knows of any elderly members in our community who may need assistance in these crazy times, please contact me on 4841 0288.

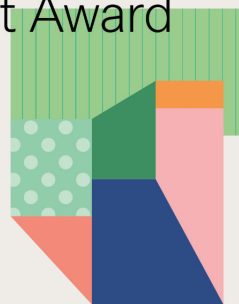

Our rooms are available for hire and new members are made very welcome however all CWA meetings have been cancelled until after the Coronavirus lockdown.

*Sue Montgomery, Publicity Officer,
CWA Marulan Branch*

opening 6pm, 17 apr.
17 apr. – 2 may

Goulburn Art Award

+Gallery 2: Works from our local Arts Access program

The 2020 Goulburn Art Award

The 2020 edition of the Goulburn Art Award is still being staged. It might be purely digital, but it'll still be a banger. We are working closely with Karen Quinlan to maintain her capacity as judge. Please join us in congratulating each of the finalists on being shortlisted for the Award and thanking Karen for making time to contribute.

To these artists, and all who entered, thank you for working with us to maintain this important local award as best as we can. Thank you for entering, championing creativity and putting your work forward. You are wonderful, brave people.

With over forty works across painting, sculpture, textiles and photography, the exhibition showcases a broad range of themes, concerns and dedication to processes, all created by artists local to the place we call home, Goulburn. We are furiously working to gather as much of the information as we can so you can enjoy the works and view them online. Now more than ever we do feel it is crucial to support artists and award the prize pool.

Join in on IGTV (Instagram TV!) at 6pm on Friday, 17 April for a live opening welcome from Director, Gina Mobayed, as well as Karen Quinlan's announcement of the winners of the Art Award, Young Artist Award and Highly Commended.

These plans may be altered based on the decisions of the NSW Government in response to COVID-19 but we will do our absolute best to reach you, with each other's safety as the ultimate priority.

With light and care

Gina, Hannah, Janenne, Janet, Jeannette, Sarah and Sally

GARDENS FOR ALL SEASONS

TO DO IN THE GARDEN IN APRIL 2020

RAKE up fallen leaves & add to compost bin

CHECK pots are not sitting in saucers of water if we've had rain

LIFT & store flowering bulbs such as dahlias, label them so they don't get mixed up

COVER frost tender trees with Hessian

FINISH planting winter & spring annuals

HARVEST the last of apples & pears if you have them

LAST CHANCE to get those spring bulbs in. Lots of gardeners believe Anzac weekend is the cut off!

CONTINUE clearing up the garden in preparation for Winter

MULCH down garden bed and pots

AUTUMN 2020

WEATHER WATCH

Welcome to Autumn in Marulan, the second of our double page spreads for each of our seasons. Weather-wise things have improved with the soil now wonderfully easy to work with after a generous proportion of rain - We can hear the farmers say "Yes, but we need more!" Indeed we do, but still what we've had has been very welcome and with the days becoming cooler it very pleasant outside.

HOW GREEN IS YOUR GARDEN?

COMPOST HEAP? No, never too late to start. Don't forget to add leaves.

PLANTS FOR WILDLIFE - Every little bit helps

RAINWATER COLLECTION - Same

POND OR WATER FEATURE? Can be just a big garden saucer or make a pond. Buy a big pot & use a small plug to cover /fill in the hole. Glue in place with waterproof, non-toxic glue. Let set, fill with water, one pond. Nice & easy!

HABITATS for wildlife - Insects like little nooks & crannies in old branches & blue tongue lizards will live just about anywhere.

ORGANIC PEST RECIPES SNAIL REMOVER:

1 part Espresso Coffee x 5 parts water. Mix 100ml of coffee x 5 parts with 1L of water in a spray bottle to get rid of snails. Spray well. May need to spray more than once..

RECIPE TO ERADICATE WHITE CURL GRUBS:

1 part household detergent x 5 parts water. 100ml of detergent mixed with 1l of water in a spray bottle will get rid of white curl grubs which live in the lawn & sometimes in pots too. Spray well.

FLOWERS FOR BUTTERFLIES & BEES ...

Michaelmas daisies (pictured at right) are among the asters which are more resistant to mildew but delightful for butterflies. Butterflies also like Honesty, Oregano flowers and Hebes.

Bees on the other hand love Dog Roses, Honeysuckle, Candytuft and verberna. These are just a few of the bee loving plants.

Plants such as the many species of native paper daisies attract beneficial insects and butterflies to the garden and native animals such as Echnidas, consume ants but also some pest species.

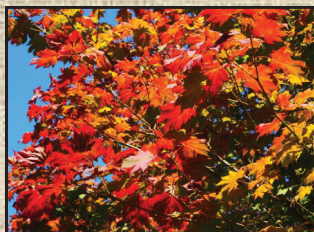

f you're looking for a drought-proof ground cover then go no further than salt bush (pictured right)

Too cute for words - Fun in the Autumn Leaves!

A GREAT RECYCLING HINT FROM A LOCAL RESIDENT

Keep all your plastic bottle tops. Pop them in a bag, & take them down to **MARULAN RURAL SUPPLIES** where they are picked up & recycled to make prosthetic limbs and spectacle frames.

KEEPING THE ORGANIC GARDEN HEALTHY

A number of techniques can be used by organic gardeners to ensure that pests stay below an acceptable level.

KEEPING the garden clean and tidy is a good start.

REMOVE anything which is pest-infected rather than leaving it in the garden.

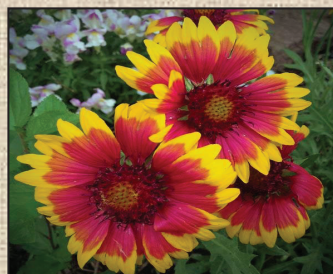

PLANT CHOICE choose plants that are suited to the Marulan region's climate. When buying plants make sure they are healthy and are not harbouring pests

RESISTANCE Certain varieties of plants have been bred for their resistance to some pests and diseases. None are completely immune, nevertheless, some resistance can be invaluable.

MIXED PLANTING Mixed planting can look very attractive & the variety of plants can deter pests.

PLANTS TO ATTRACT BENEFICIAL INSECTS

Big, bold open centred flowers such as gaillardias that guide the insects to the centre. Open-centred annuals with a long flowering period, such as the poached-egg flower.

Sports Shed Project

Towards the end of 2018, due to events relating to a medical emergency, our previous sports shed was damaged and had to be dismantled and removed by Mr Divall as it was no longer considered safe. This meant all sporting equipment had to be stored in a different location and was not as easily accessible to students and teachers.

Community member and grandparent from our school, Mr Eldick, noticed the sports shed was damaged and approached Mr Copland with the invitation/idea of organising a new sports shed. Mr Eldick approached local business and that is when the "Sports Shed Project" was born.

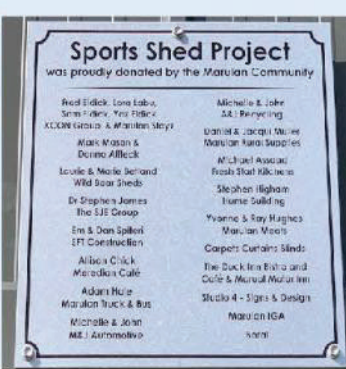

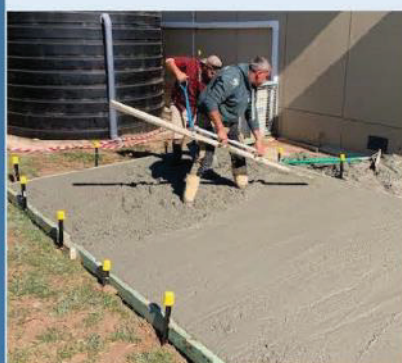

The site was levelled, the slab was formed and poured, the frames assembled, the colorbond walls/roof were attached and doors were hung. Once completed, MPS purchased and installed shelving to accommodate and organise all the sporting equipment.

The following business and individuals all contributed to the project:

Fred Eldick & Lora Labu (**XCON Group & Marulan Stayz**), Sam & Yasmin Eldick (**XCON Group & Marulan Stayz**), Mark Mason & Donna Affleck (**Shed Installer**), Laurie & Marie Betland (**Wild Board Sheds**), Dr Stephen James (**The SJE Group**), Em & Dan Spiteri (**SFT Construction**), Allison Chick (**Meridian Café**), Adam Hale (**Marulan Truck & Bus**), Michelle & John (**M&J Automotive & A&J Recycling**), Daniel & Jacqui Muller (**Marulan Rural Supplies**), Michael Assaad (**Fresh Start Kitchens**), Stephen Higham (**Hume Building**), Yvonne & Ray Hughes (**Marulan Meats**), **Carpets Curtains and Blinds**, **The Duck Inn Bistro and Café**, **Marulan Motor Inn**, **Studio 4 – Signs and Designs**, **Marulan IGA** and **Boral**.

The official opening took place on Friday March 13 where our attendees were welcomed into our school. Students performed 2 songs to our guests, certificates of appreciation were awarded, "the official opening" cutting of the ribbon took place followed by a morning tea that was catered for by students from our school.

We would like to thank everyone who has been involved in this project! We would also like to express our gratitude to Mr Fred Eldick for the initiative in coming forward with this idea! Thankyou.

THE CREATIVE COOK

AUTUMN SPECIALS

PORTUGUESE & LIME CHICKEN THIGH FILLETS

Serves 4

INGREDIENTS:

1/4 cup bottled peri-peri sauce
2T lime juice (can be bottled)
2T finely chopped fresh coriander
8 x 125g chicken thigh fillets

METHOD:

Combine sauce, juice & coriander in a large bowl. Add chicken, toss to coat in mixture. Cook chicken on a heated grill plate or BBQ grill plate until well browned and cooked through.

Low Salt, Low Fat, Low Sugar, Gluten Free

Portugese & Lime
Chicken Thigh fillets

Broccolini with
Honey

BROCCOLINI WITH HONEY

Serves 4

INGREDIENTS:

700g broccolini, halved
Crossways (down the centre)
1T light soy sauce
2t honey
2t toasted sesame seeds

METHOD:

Steam broccolini in microwave for 3-5 mins. (depending on the size and power of your microwave). Combine soy sauce, honey and 1T boiling water in a small jug. Serve broccolini drizzled with honey mixture and top with toasted sesame seeds.

You can toast sesame seeds in the microwave on a paper towel for about 30 secs, at a time on med. Power. Be careful, as they will burn if toasted for Too long at too high a temperature.

Low Salt, Gluten Free, Low Fat, Vegetarian

Grilled Eggplant

Vanilla Berry
Tart

GRILLED EGGPLANT W. MINTED YOGHURT

Serves 4

INGREDIENTS:

1 large eggplants
(about 1kg in total)
cut into slices about
1cm each
1/4 cup greek-style
Yoghurt
1T freshly chopped
Mint
2 large tomatoes,
chopped

METHOD:

Spray eggplant with cooking spray. Cook eggplant on a heated grill plate (or BBQ, or, cook in single layers in frypan) until browned lightly on both sides. Meanwhile combine yoghurt, mint and 2T water in a small bowl. Serve eggplant sprinkled with tomato. Serve dressing Separately.

Low Fat, Low Salt, Gluten Free, Low Sugar, Veg.

VANILLA & BERRY TART

Serves 4

INGREDIENTS:

1 x ready made sweet
pastry shell*
2 cups ready made
vanilla custard
2 cups mixed berries,
fresh or frozen
1T icing sugar.

METHOD:

Bake the tart shell in the oven using the instructions on the packet. Cool completely. Spoon vanilla custard into tart shell and top with the berry mixture. Sprinkle with icing sugar & serve.

You will find sweet pastry shells in the bakery section of the supermarket. These will be pre-cooked, or, you can find them in the freezer section & these you will need to bake at home.

Low Salt

THE CREATIVE COOK

AUTUMN SPECIALS

Pesto Chicken

Vegetable Stir-Fry

Oven Roasted Potatoes

Zesty Orange Butter Cake

PESTO CHICKEN

Serves 4

INGREDIENTS:

4 x 200g chicken thigh fillets
(cut in half lengthways if large)
1/3 cup sun dried tomato pesto

Fairly Low Fat, Low Salt, Low Sugar, Gluten Free

METHOD:

Combine pesto & chicken in a large bowl. Coat with the pesto then grill on an oiled grill plate or BBQ grill plate until browned & cooked through. If you prefer you can use traditional basil pesto, it's just as nice. Serve with Vegetable stir fry.

VEGETABLE SIR FRY

Serves 4

INGREDIENTS:

2t sesame oil
400g mixed mushrooms, sliced thickly
4 medium carrots sliced thinly
2/3 cup of water
400g broccoli broken into small pieces
300g trimmed snow peas
1/3 cup tamari
4 thinly sliced shallots

METHOD:

Heat oil in wok, stir fry mushrooms & carrots for 2 mins. Add the water, stir fry for 5 mins until carrot softens. Add broccoli & snow peas. Stir fry until broccoli is just tender. Stir in tamari. Serve stir fry topped with sliced shallots.

Low Salt, Low Fat, Gluten Free, Low Sugar, Vegetarian

OVEN ROASTED POTATOES

Serves 4

INGREDIENTS:

1kg Potatoes of your Choice
Canola cooking spray
Olive oil cooking spray or Canola Oil spray

METHOD:

Preheat oven to 180degC. Lightly spray an oven tray with cooking spray. Cut potatoes into wedges and place skin side down on baking tray. Lightly spray with oil/cooking spray. Place in oven and cook until golden brown about 40 mins. Really easy dish and just delicious.

Low Salt, Low Fat, Gluten Free, Vegetarian

ZESTY ORANGE BUTTER CAKE

Serves 8

INGREDIENTS:

125g butter at room temp.
1/4 cup milk
1/4 cup orange juice
2 eggs
3/4 cup caster sugar
2 cups self raising flour
2T grated orange rind/zest

METHOD:

Preheat oven to 180 deg.C. and line a round baking tin with baking paper. Combine all the cake ingredients in a bowl and mix together with an electric mixer until well combined. Pour mixture into cake tin. Bake for 35 mins. until skewer inserted into the cake comes out clean. Turn out of tin & dust With icing sugar.

Low Salt

Gunlake Chips in with Bushfire Recovery

After an horrific summer of fires in our local area, Gunlake has been forthcoming with assisting affected local communities in their recovery processes.

In the wake of the Morton fire, after a call out for help when their 20 year old ute broke down, Gunlake loaned a ute to Bundanoon Wombat Care, a community group that does a lot of work looking after Wombats and other wildlife in the Southern Highlands. They have been providing food and water to Wombats and other wildlife, in response to the bushfire crises and our 4WD Utility is being used to maintain feed stations throughout Morton National Park.

Gunlake is proud to support local community groups.

We always encourage community feedback by visiting our website at: www.gunlake.com.au/contact/ or by calling Gunlake Quarry on 02 4841 1344.

MARULAN ANZAC DAY SERVICES

CANCELLED

WE REGRET TO INFORM YOU THAT THE RSL HAS
CANCELLED ALL PUBLIC ANZAC DAY SERVICES
DUE TO THE COVID-19 HEALTH CRISIS

Fran and Richard Bosly-Craft - 0427003561

Artwork by Alan Weston Signs

Cancellations, Postponements and Closures:

It is with great regret that due to on-going restrictions imposed due to the COVID-19 epidemic:

- The Tallong Community Focus Group has cancelled the ANZAC Day Service that was to be held at the Tallong War Memorial on 25 April 2020. The Focus Group wishes to notify local community groups that they are welcome to lay wreaths or bunches of flowers on the War Memorial but are asked to make sure that social distancing protocols are observed.
- The Tallong Community Resilience Celebration which was to follow the ANZAC Day Service 2020, incorporating the centenary celebration for the Tallong War Memorial Hall with our acknowledgement of the enormous efforts of the Rural Fire Service men and women during the summer, has been postponed. Hopefully this event will take place later in the year.
- Tallong War Memorial Hall and Tallong War Memorial Park have both been closed by the NSW Dept of Lands until further notice. All activities that use the Hall are therefore cancelled as well as the use of the children's playground. Goulburn-Mulwaree Council have closed the public toilets in the Park.
- Tallong RFS has discontinued training and all meetings. The AGM has been postponed to a date to be fixed. The first response team will still attend emergencies. Any emergencies please dial 000.
- Services will not be held at St. Stephens Anglican Church, Tallong until further notice.
- Divergent Church, Tallong gatherings have been cancelled until further notice. However, the leaders, Magnus and Bel Agren, are encouraging "online" connecting through the Divergent Church Tallong Facebook page.
- The Midge, Tallong will maintain its normal hours with the store open but serving take-away food only (no eat in). However, Friday night pizza night will be temporarily discontinued with the day-time menu available only. The Midge's famous jams, condiments, biscuits and other goodies as well as an expanded range of frozen meals will still be available.
- Please also note that Apple Day, on 3 May 2020 was cancelled in January due to organisational problems arising from the bush fires.

Bearing in mind the need at the moment to restrict travel where possible, it is worth a smile to remember the difficulties overcome in times gone by. In August 1918, Mary Sparks was the first bride to marry in Tallong's Methodist Church when she married John Hamilton of Cowra. Mary's home was only 6 miles (10 kms) as the crow flies from the church but unfortunately

on the other side of the Shoalhaven Gorge. This was no problem for the bride who rode across, although there were some concerns that if it rained the Shoalhaven River would flood, making the river impassable. These concerns were well founded, in fact, as a few years later her brother drowned when his horse was swept away as he was returning home.

However, the bride's mother described as being "not in robust health" could not attempt the short cut. The only alternative was a buggy ride to Nowra via Nerriga of 60 miles (about 100kms) where she caught the train to Sydney a distance of about 90 miles (about 150 kms). Then she caught the train from Sydney to Tallong (about another 180 kms), with as the Scrutineer and Berrima District Press reported: "... a return journey as a treat in store when the wedding was over"!

Daylight Saving Time Ends on 5 Apr 2020

When local daylight time is about to reach 3:00:00 am on Sunday, 5 April 2020, clocks are turned backward 1 hour to 2:00:00 am.

Sunrise and sunset will be about 1 hour earlier on 5 Apr 2020 than the day before.

There will be more light in the morning.

Due to the COVID-19 pandemic there are restrictions with regard to public gatherings resulting in the cancellation of community meetings and religious services. Because of this there is no calendar of events for April 2020. The RSL has cancelled all public Anzac Day services.

Help stop the spread of COVID-19

From 31 March 2020, you must stay at home, unless you are going to

- work and education, where you can't work remotely
- shop for food and essentials
- medical needs or the care of others
- exercise.

Existing rules around 10 people at funerals and 5 people at weddings still apply.

- If you go out, stay 1.5 metres away from other people at all times.
- Wash your hands as soon as you get home.

Do not gather in public with more than 2 people except

- for members of the same household
- where the gathering is essential for work or education.

These new restrictions are legally enforceable.

Anyone could spread the virus, even without knowing.

Together we can help stop the spread of COVID-19.

**Keep 1.5m between
yourself and others**
