

# MARULAN KITE FESTIVAL 23rd September 2018

Did you know that Marulan is located on the 150<sup>th</sup> Meridian and is the perfect place to celebrate the coming of spring and the warmer weather?

Each year we celebrate with the Annual Kite festival, encouraging families to fly a kite and enjoy the carnival atmosphere of the festival.

The Kite festival is a community event run by not-for-profit local community representatives with any profits being returned to the community groups involved. We aim to bring tourists to the town of Marulan to not only experience the festival but the surrounds of Marulan, Tallong and Bungonia as well.

This year the festival celebrates the Spring Solstice where "Time Flies" so come along and experience the fun as we turn back time.

The 2018 festival will be held on SUNDAY 23<sup>rd</sup> September 2018, between 9am and 3 pm in TONY ONIONS PARK in GEORGE STREET MARULAN.

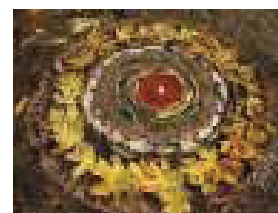

Our celebration of Spring kicks off on the 8th September 2018 with an official opening of The ART SHOW AND EXHIBITION OF WORKS and the formal launch of the Kite festival.

This year's Art and photography Show are themed on the celebration of spring and Time Flies, with generous prize money being available for the People's Choice Award, best Art Piece, best Sculpture, best Youth piece and best Photograph.

The Exhibition will be open on the weekend of the 8<sup>th</sup> and 9<sup>th</sup> September, 15<sup>th</sup> and 16<sup>th</sup> Sunday and 22<sup>nd</sup> and 23<sup>rd</sup> September.

Sunday 23<sup>rd</sup> September 2018 brings the main day of the festival with stalls, games, events and a car and bike show.

At 9.30am we celebrate the awakening of spring with the building of a Mandala with the community's help.

This will be followed at 10am with the Marulan Public School Choir, bringing Spring in with song.

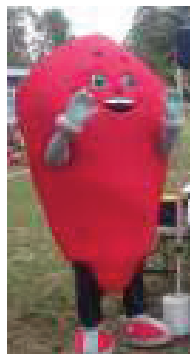

At 10.30 come and make some noise and support the Marulan Public school with their Rain Dance!

At 11.30 am the fun continues with the running of the Pet show. This is a fun show with entries in lots of different categories - smallest pet, cutest pet, best behaved pet, most unusual pet, and so on .... There are 1st, 2nd and 3rd winners in each category with everyone receiving a prize.

Alice will also be exploring the Kite festival wonderland in search of the White Rabbit. Come and help her find where he might be.

The Wizards School will be open and giving lessons on wand making with professor Pandora Lovegood, Professor Tess Scamander and Head master Darius Octavius Rinsewind, for young and old wizards and witches. Come dressed as your favourite wizard.

Red Kites's Kite Man will also once again be making an appearance.

If you don't have a kite you can make one on the day and join in the fun. NPWS will have a focus on the Glossy Black Cockatoos so come and make your own cockatoo kite.

The Marulan BOL RUNNING competition is back as well.... for 10 - 12, 13-16, 17 - 20 and 21years and over aged competitors who think they are fit! You try running against an opponent with a parachute/kite attached to your back and making the finish line in record time. It is a lot of fun with prize money for the fastest in each age.

There are also gourmet food stalls, display stalls, The Old Machinery Company from Berrima, the CWA ladies morning teas, whip cracking and so it goes on.

See how Time flies with the Car and Bike SHOW AND SHINE.

Come and see the 1974 Lola T332 formula 5000 powered by a 500 hp 5litre chev. This was a very popular racing series back in the late 60s and through the 70s when they raced with Formula 1 cars.

At 1pm be around for the RUMBLE, where all the vehicles will turn over their engines! A trophy is to be awarded for the best rumble!

For those that love their Australiana come and have a go in the famous BILLY BOIL CUP. How well can you build a fire and make a great cup of tea from boiling the billy?

While you are waiting explore a WWII Barracks with AUSREENACT.

Or test your operating skills on the Excavator simulator & mini Excavator.

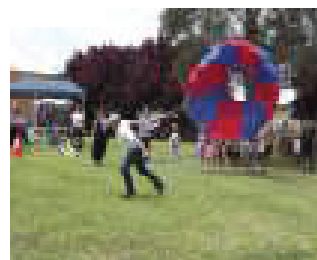

Plenty to see and do so Come and enjoy the celebration of Spring and spend a day in Marulan where "Time Flies"

# A message from the Mayor

## Bob Kirk

### Marulan Village Plan Working Party

The Marulan Village Plan Working Party has now been finalised with Tegan Rubs appointed as the community representative at the Council meeting on the 7th August.

The group also includes David Humphreys (Marulan Chamber of Commerce), Maureen Eddy (Marulan Lions Club), John Nicastrì (Marulan and District Progress Association), Alana White (Holcim), Geoff Kettle (Gunlake), Dean Beltrame (Boral), & Cr Peter Walker as Council's representative.

The first meeting was held on Thursday 23rd August and I am told went quite well. If you have enquiries or suggestions on implementation of the Marulan Village Plan I would recommend speaking with one of the above representatives on the working party.

### Towrang Village Discretionary Fund Working Party

Goulburn Mulwaree Council is now calling for Expressions of Interest for community members for a Towrang Village Discretionary Fund Allocation Working Party. We will be appointing four community members to this group who will work with Cr Andrew Banfield. Mayor Bob Kirk is the alternate Council representative if Cr Banfield is unavailable.

Expressions of Interest should be made in writing and addressed to the General Manager. They may be emailed to [council@goulburn.nsw.gov.au](mailto:council@goulburn.nsw.gov.au) or sent by post to Goulburn Mulwaree Council, Locked Bag 22, Goulburn, NSW, 2580.

EOI's due 5pm Friday 31st September 2018. Council will make the final appointments at a meeting in October 2018.

### Asbestos Disposal fee reduced

It will now be cheaper to dispose of asbestos at the Goulburn Waste Management Centre after Councillors resolved to reduce the associated fees at the first meeting in August.

We don't currently accept asbestos at the Marulan Waste Management Centre due to the requirements involved in processing this waste but I am sure many in Marulan utilise the Goulburn centre for this service and will be pleased by the price drop.

The tonnage rate for bonded asbestos disposal has now been reduced to in line with the general waste fee, being \$224/tonne with a minimum load of \$22 for local residents. This would allow residents to dispose of up to 100kg of asbestos with any amounts beyond this being charged at the weighed rate.

Asbestos disposal must be booked in advance by calling the gatehouse at the Goulburn Waste Management Centre on 4823 4839.

### Pet of the Week

A quick note to remind you of our Companion Animal Facility located in Goulburn. Our staff do a lot of great work in rehoming animals that find their way into the pound and we are again encouraging individuals and families considering a new pet to first take a look at the CAF.

Staff provide all the information on the animal and will help you when making your decision; and the feedback we get time and time again is that rehoming an animal is incredibly rewarding and the best decision people make!

### Outreach Meetings approaching

The 2018 Community Outreach meetings are again approaching and the schedule for this year's meetings is now finalised. These are a great chance for Councillors and Senior Staff to engage directly with the communities to hear what is going well and what isn't.

The Marulan Outreach Meeting will again be held in the Marulan Hall and this year will be on Thursday 25th October from 6:30pm. For our readers in Towrang your meeting will be held on Thursday 29th November from 6:30pm, while the Tallong meeting will be held on Thursday 6th December from 6:30pm.

I look forward to seeing you all at these meetings later this year. Please also remember that if you have an issue that needs immediate attention to call us on 4823 4444 and our Customer Service team can help you out.

# September President's Report

It's a pleasure and honour to take on the role of President of the Marulan Region Chamber of Commerce. It's more so a pleasure to be able to continue to work with David Humphries, still a member of our Executive, who has given so tirelessly to the Chamber and the community as a whole. I look forward to working with the rest of my Executive team to help promote local businesses across the region and to encourage a thriving and successful community in our wonderful village and region.

We've already started with a bang! David and I attended the first Marulan Village Committee meeting with representatives from all primary local groups, representatives from the three quarries, a community representative and members of Goulburn Mulwaree Council et al. The Committee is responsible for overseeing the progressive implementation of the Marulan Village Plan, among other things. It is a unified voice for our beautiful village and it's great to see our various local groups working together towards a common goal. The Chamber plays a key part on that Committee and I will provide updates as we progress.

The Chamber, which sponsors this Discover Marulan Newsletter, also maintains various social media channels including [discovermarulan.com.au](http://discovermarulan.com.au) where we publish local news and events in between editions of this Newsletter. The Chamber's own website ([marulanchamber.org.au](http://marulanchamber.org.au)) includes useful news and updates relevant to commercial and business operations. If you operate a business, I encourage you to join.

As we head into spring, and the weather (hopefully) starts to warm up, we can all look forward to another successful Marulan Kite Festival; run by a number of community groups and supported as a committee of the Chamber of Commerce. This year's festival is scheduled for Sunday 23rd September, which isn't far away at all. I look forward to seeing as many community members there to support this great event.

## Dr Stephen James

## Country Women's Association

In the last month our International Officer Gail surpassed herself with a lovely selection of homemade Polish cakes. We had a few quiz games with most of us winning a prize. This was followed by voting for the winning posters from the Marulan and Tallong Schools. Overall our stall did very well at the 150th anniversary of the railway coming to Marulan.

Some of our ladies went to visit the Jewish Museum in Sydney, a very interesting day.

We are donating \$500 to the drought relief. Everyone is hoping for rain especially for our farmers.

We held a crochet day at 1pm on Monday 3rd September where ladies were invited to learn to crochet.

The CWA Group International Day will be on the 14th September at the Goulburn Workers Club.

The CWA Group Conference Day will be the 13th October in the Marulan Memorial Hall.

Coleen received her membership card and badge and was officially welcomed to our group.

We hold our meetings on the 3rd Wednesday of the month in our rooms so come along and join us, have a cuppa and a chat. 10.00am to 10.30pm.

Our rooms are available to rent at a nominal fee. To book, phone Faye on 4841 0727.

Customer service will not be able to service the Big Read Bus in the above months.  
It is expected that customer service will resume from October.

Thought I'd give you a run-down on some of the stuff we've achieved during the past 12 months or so...

We had our Annual Seniors Party for 100 locals with a professional entertainer, hosted The Biggest Morning Tea and Daffodil Day for cancer research, took an impoverished Fijian family of 11 under our wing, provided scholarships for local kids and trauma teddy bears for local children in crisis.

We are still knitting hundreds of bedsocks for frail aged seniors and have knitted dozens of teddies for mentally disabled adults.

We have provided financial and ongoing help for local families in crisis. Our Club helped raise money to purchase a crib at Goulburn hospital for still born babies to allow parents time to say goodbye.

We bought 5 swags for the homeless and rattled the buckets to collect a startling \$12,200 towards the Tathra Bush Fire Appeal. We spent last weekend with buckets for the Farmers in Drought, collected old spectacles for third world countries and gave donations to many national and even international charities, like guide dogs and cystic fibrosis.

How do we finance all that we achieve? By you, actually.

We cater for weddings and wakes, barbeques and Bunnings bangers, fairs, fetes and festivals, with your donations and with damned hard work!

But oh – how we need some young blood. If you are giving some thought to joining a Lions Club, please contact Maureen Eddy or Marlene Skipper and come and see how we operate and whether you will enjoy our laid-back community group.

Dear Editor,

A big thank you to the Historical Society for the time, effort and interest created by the 150th railway celebrations which brought so many people into town.

It was a great day, and we reaped the rewards here in our shops.

Many Thanks,

# Boral Marulan South Operations Newsletter

September 2018

***Boral's Marulan South Operations are pleased to present our regular newsletter for the information of our valued neighbours and wider community.***

## Hearing from you

We'd like to thank those who took the time to visit our 'drop in' centre at the Marulan Hall on 8 and 9 August in support of our upcoming planning proposals.

The 'centre' was opened specifically to help the community better understand our impending State Significant Development (SSD) application for the Marulan South Limestone site, and a modification we need to make to the Peppertree Quarry planning approval.

Matters discussed with us included the proposed overburden emplacements to be built around the sites, traffic on Marulan South Road, and the continuing improvement of our dust emissions management. We're also grateful for additional feedback we've received about the applications in person, via phone and email.

The planning documentation is still being compiled, so we'd be happy to receive more comments and answer questions residents might still have. Emails can be sent to [feedback@boral.com.au](mailto:feedback@boral.com.au), or you can call Paul Jackson, our Stakeholder Relations Manager, on 4677 2946 (Mon/Tue/Fri) or 0401 894 097 (Wed/Thu).

Details on what is proposed for each of our sites can be found on our Marulan South Operations webpage - [www.boral.com.au/marulan](http://www.boral.com.au/marulan).

## Outward Bound 2018

The 2018 Boral Youth Leadership program in partnership with Outward Bound was held several months ago with 14 students from local high schools spending a week at Tharwa developing leadership skills and planning community projects.

The participant's next step, with Boral staff assistance is to plan out the projects in detail and implement them in their communities before the end of the year.

These projects include an aboriginal bush garden, tree planting and education on the glossy black cockatoos, support for peers program and engagement in aged care and hospitals.

We look forward to these young people making a difference.

## Marulan Railway 150th

The teams from both Boral quarries were more than happy to assist the organising committee with the installation of a granite centrepiece at the Marulan Railway station to celebrate the 150<sup>th</sup> birthday of the Marulan railway station.

## Marulan South Limestone HSE Connect

Marulan South Limestone hold regular "HSE Connect" sessions bringing together about 80 managers and shop floor employees to deal with various themes in the Health, Safety and Environmental space.

Earlier in the year the session was put together in an "expo" format, dealing with numerous topics, the primary one being traffic management. It also included fatigue, drugs and alcohol, mental health, sustainability awareness, isolation, positive psychology and HSE leadership. We made available a 777 Haul Truck, Front End Loader, Excavator and road Truck & Dog to build an awareness of blind areas and various traffic management controls that we have in place. It was a very interactive day with a shift away from the traditional presentations.

Like to know more? Call us on 02 4841 1701 (Quarry) or 02 4820 3003 (Limestone). Or visit [www.boral.com.au/marulan](http://www.boral.com.au/marulan). For environmental matters (quarry), please call 4841 1701.

Goulburn Mulwaree Council is calling for Expressions of Interest for community members for a Towrang Village Discretionary Fund Allocation Working Party. We will be appointing four community members to this group who will work with Cr Andrew Banfield. Mayor Bob Kirk is the alternate Council representative if Cr Banfield is unavailable.

Expressions of Interest should be made in writing and addressed to the General Manager. They may be emailed to [council@goulburn.nsw.gov.au](mailto:council@goulburn.nsw.gov.au) or sent by post to Goulburn Mulwaree Council, Locked Bag 22, Goulburn, NSW, 2580.

# Tallong Twitterings

The heritage story of discovery, settlement in the area to the southwest of the early Colony of New South Wales is one that has been brought into the present in 2018. First, in March the celebration of 200 years since Governor Lachlan Macquarie sent the first official survey party to explore the area and secondly the August 6th celebration of 150 years since the Marulan section of the Great Southern Railway was complete. Congratulations to the Marulan and District Historical Society with the Bundanoon Historical Society for this recent celebration and to Janet and Dugald Black for their very well documented account of the stages of development and impacts the railway had on local places along the line.

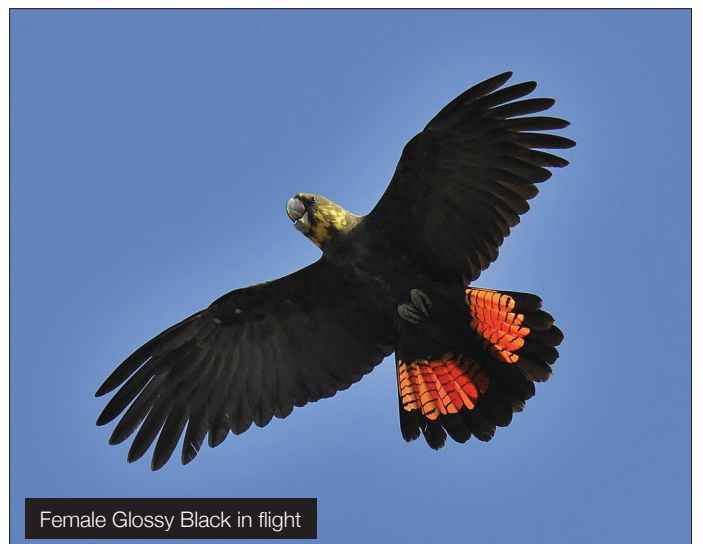

Although Tallong is only one of many places today serviced by the South West rail line, at the recent ceremony CEO of Sydney Trains Howard Collins reminded us that the construction, staffing and maintenance of the railway was in fact building communities in these isolated settlements. When the stretch of railway between Bundanoon and Marulan comprising sections 6 and 7 of the Great Southern Railway was planned and given out to tender as early as 1864 camps were set up for workers and their families which in turn attracted a first school and other community services to this area. Local records show that by the turn of the century rail workers together with a fledgling orchard industry formed a substantial part of this community. Originally this part of the line was distinguished as a stopping place to provide water for the steam engines and was called Barbers Creek Tank. Water was pumped up from the creek to a tank on the south side of the line. In 1878 a platform was installed on the down side and Barbers Creek Station opened. The Barbers Creek community successfully lobbied for improvements such as goods sheds, sidings, loading facilities and individuals and community groups sent many letters to the Railway Department asking for a change of name. Eventually in 1905 the railway made the change official and became Tallong Station.

Community picnic below the railway at Tallong c. 1910

Although, today, we see that much that was has been dismantled, Howard Collins says this community strengthening legacy will extend into the near future. According to him Rail Transport is a booming industry offering challenging work for this and the next generation. Railway work assisted development of many of these Great Southern Rail communities. Mr. Collins used a Tallong resident Paul Daly who is the current manager of all stations from Moss Vale to Marulan as an example of three generations of one family employed by NSW Trains.

Another Heritage issue that has come to the fore recently at Tallong Park Estate is the plight of our endangered Glossy Black Cockatoos. At this information session run by field officers of the NSW Office of Environment and Heritage the Glossies in the Mist Project hopes to secure foraging and breeding habitat for the Glossy Black Cockatoo within the Great Western Wildlife Corridor. To this end The National Parks and Wildlife Service are propagating *Allocasuarina litoralis* plants and distributing them to land owners for mass planting.

### **MARULAN VOLUNTEERS**

**Who are we?** We are a group of local residents trying to improve the appearance of our town.

**Why do we do this?** If our town looks appealing and cared for, this will attract visitors who will support our local businesses. It also makes it a better environment for us to live in as locals.

**What do we do?** Local council mows the town's parks and some of its nature strips, but doesn't have the resources to do much more than this. The volunteers supplement the work of council by regularly cutting the edges and whipper snipping the main street and parks. We also weed the gardens in the parks, and collect litter in areas around town. Other less frequent and one-off activities have included: refurbishing the grounds at the Brewer Centre; mulching the gardens in Meridian Park; repairing and painting roadside fences in the main street; and repairing and painting the fence & rotunda in Tony Onions Park.

**How often do we do it?** Generally speaking, the volunteers work for 2-3 hours on the first and third Monday (starting approximately 9.30am) of each month.

**How can you help?** If you have spare time and are available on Mondays, then we'd love you to join us. If this time isn't suitable but you'd like to help, then please contact: David Blissett: 0400 119 016; Ellie Eggerking 0406 376 717; John Redhead: 0439 411 922

Volunteers receive a free cup of coffee on "Volunteer Mondays" at The Marulan General Store ([facebook.com/marulangeneralstore](https://facebook.com/marulangeneralstore)).

## Veggie Burritos

Who doesn't love a warm, crisp, toasted burrito on a chilly day? Here's a really simple recipe for a delicious veggie burrito that takes just minutes to prepare. You can of course add pulled chicken or pork to your burritos if you wish, but Creative Cook prefers to go the veggie road. Enjoy!

### Ingredients:

#### For the seasoned rice:

- 1 tablespoon oil
- 1 clove garlic
- 1 teaspoon chili powder
- 1/4 teaspoon cumin
- 1/4 teaspoon oregano
- 180 grams long grain white rice
- 1/2 teaspoon salt
- 350 mls water

#### For the burrito filling:

- 850g black beans
- 225g shredded cheddar
- 2 spring onions
- 120 mls salsa
- 8 large tortillas

### Directions:

1. Sprinkle the shredded zucchini with salt. Place in a Start by making the seasoned rice: In a pot, sauté the minced garlic in the oil over medium heat for about a minute.
2. Stir in the chili powder, cumin, oregano, and rice and stir for a couple of minutes to toast the rice and spices.
3. Add the water and salt to the pot. Place a lid on top and turn the heat up to high. Allow it to come to a boil, then turn the heat down to low. Let simmer on low for 15 minutes. After 15 minutes, turn the heat off, and let the rice rest for five minutes. Fluff the rice with a fork.
4. While the rice is cooking, rinse and drain the black beans. Slice the spring onions.
5. To assemble the burritos: Microwave four tortillas for 30 seconds to make them soft and easy to roll.
6. For each tortilla add about 1/3 cup rice, 1/3 cup beans, 1 Tbsp salsa, 1/4 cup shredded cheddar, and a few slices of spring onions. Roll the burritos up tightly, folding in the sides first to hold in the filling.

7. Place the tortillas on a grill or on a slightly oiled frypan on low heat until toasted and the cheese inside has melted.

You can store the burritos in an air-tight container in the refrigerator for 4-5 days, or wrap each burrito individually in parchment paper or plastic wrap, place in a freezer bag, and freeze for up to three months.
